

A LOCAL LIABITATTION

The book cover has a dark, moody aesthetic. A woman with long brown hair, wearing a black leather motorcycle jacket, is the central figure. She is looking off to the side with a serious expression and is holding a large, straight razor-style knife. In the background, to the left, is a dark, hooded figure with glowing red eyes. The setting appears to be a street at night, with a yellow diagonal line on the ground. The title 'A LOCAL LIABITATTION' is at the top in a white, distressed, stencil-like font. Below the title, on the left, is the text 'A Toby Daye Novel'. At the bottom, the author's name 'SEANAN MCGUIRE' is written in a large, white, serif font. In the bottom right corner, there is a small, stylized logo that looks like the word 'book'.

and inevitably that means it's time for things to take a turn for the worse. Someone has kidnapped the sons of the Duke and Duchess of the Undersea Duchy of Saltmist. To prevent a war between land and sea, Toby must not only find the missing boys but also prove that the Queen of the Mists was not behind their abduction. But someone is determined to stop her. From the streets of San Francisco to the lands beneath the waves, Toby will need all her guiles and the help of her allies if she wants to make it through this in one piece. As the battle grows more and more personal, one thing is chillingly clear: When Faerie goes to war, not everyone will walk away. *Ashes of Honor (Toby Daye Book 6)* Seanan McGuire, 2015-05-05

The sixth instalment of the highly praised Toby Daye series. It's been almost a year since October Toby Daye averted a war, gave up a county and suffered personal losses that have left her wishing for a good day's sleep. She's tried to focus on her responsibilities but she can't help feeling like her world is crumbling around her and her increasingly reckless behaviour is beginning to worry even her staunchest supporters. To make matters worse, Toby's just been asked to find another missing child: only this time it's the changeling daughter of her fellow knight Etienne Chelsea. Chelsea is the kind of changeling the old stories warn about: the ones with all the strength and none of the control. She's opening doors that were never meant to be opened, releasing dangers that were sealed away centuries before, and there's a good chance she could destroy Faerie if she isn't stopped. Now Toby must find Chelsea before time runs out, racing against an unknown deadline and through unknown worlds as she and her allies try to avert disaster. Toby thought the last year was bad. She has no idea. **Late Eclipses (Toby Daye Book 4)** Seanan McGuire, 2015-05-05

The fourth instalment of the highly praised Toby Daye series. October Toby Daye, changeling knight in the service of Duke Sylvester Torquill, finds the delicate balance of her life shattered when she learns that an old friend is in dire trouble. Lily Lady of the Tea Gardens has been struck down by a mysterious, seemingly impossible illness, leaving her fiefdom undefended. Struggling to find a way to save Lily and her subjects, Toby must confront her own past as an enemy she thought was gone forever. Once more Oleander de Merelands, one of the two people responsible for her fourteen-year exile, is growing short and the stakes are getting higher. With everything on the line, Toby will have to sort truth from lies to the people she loves most. If she can't, Toby will be forced to make the one choice she never dreamed she'd have to face again. *Fang-tastic Fiction* Patricia O'Brien Mathews, 2010-11-22
