## A Kings Ransom:

A King's Ransom Jude Watson,2011     *A King's Ransom (Classic Reprint)* ,2015-07-13 Excerpt from A King's Ransom It was a brilliant afternoon in the summer of the year of grace 1651 Even late in the day the August sun was intolerably fierce Out in the open country the work of ripening corn and fruit was almost done here in London City the rays beat down into crowded alleys and narrow lanes and made them close and sultry like streets of an Eastern town But nowhere did the sunbeams rest more gaily than on the broad bosom of the river Thames They shone upon the stately palaces and beautiful gardens with which its banks were lined caught the edges of the leaves rustling in the breeze and sparkled in a thousand lights upon the rippled surface of the water There was scarcely a view in all England which for historic and picturesque interest could equal the sight from old London Bridge To the North rose the still graceful structure of St Paul's Cathedral The beautiful spire for centuries the pride of the City had been burnt down in the time of Queen Elizabeth and an insignificant tower substituted for it The South transept designed by Inigo Jones had been hastily pulled down by the Parliament for the sake of the scaffolding and part of the Cathedral with it and the interior had been sadly desecrated by the Puritans Still however to outward seeming the building was the noblest in London Close to the end of the bridge stood a confused mass of houses the hall and offices as we should now call them of the Fishmongers Guild About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works     *A King's ransom, by the author of 'The martyrs of the Cornhill'*. King,1888     **A King's Ransom** Nina Frances Layard,1888     **A King's Ransom** Sharon Penman,2014-03-12 Historisk roman Richard is to spend fifteen months imprisoned much of it in the notorious fortress at Trefils which few men ever left Meanwhile his mother Eleanor of Aquitaine is moving heaven and earth to raise a staggering ransom travelling across Europe herself to buy the release of her favourite son But her determination may not be enough At the eleventh hour the Duke announces that he has had a better offer from the French king Philippe and Richard's own treacherous brother John They will pay an even larger sum to continue Richard's captivity or to turn him over to their tender mercies     *A King's Ransom* Hardpress,2012-08 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy     *A King's Ransom: Plantagenets Book 5* Sharon

Penman,2014-03-01 Travelling home from the crusades Richard was shipwrecked off the coast of Austria after an encounter with pirates Richard should have been under the Church's protection but in Outremer he had given the Duke of Austria good reason to loathe him and he was captured He was immediately claimed by the Holy Roman Emperor who also bore a grudge against the captive English king Richard was to spend fifteen months imprisoned For a man of his fiery nature it was truly shameful His mother Eleanor of Aquitaine began to move heaven and earth to raise a staggering ransom travelling to Germany herself to buy the release of her favourite son But it was not to be that easy At the eleventh hour Heinrich announced that he had had a better offer from the French king Philippe and Richard's own treacherous brother John offering Heinrich an even larger sum to continue Richard's captivity or to turn him over to their tender mercies

**Ransom** Suthern,1983-05-01 **A King's Ransom** Sharon Kay Penman,2014 From the New York Times bestselling author of Lionheart comes the dramatic sequel telling of the last dangerous years of Richard Coeur de Lion's life This long anticipated sequel to the national bestseller Lionheart is a vivid and heart wrenching story of the last event filled years in the life of Richard Coeur de Lion Taken captive by the Holy Roman Emperor while en route home in violation of the papal decree protecting all crusaders he was to spend fifteen months imprisoned much of it in the notorious fortress at Trefils from which few men ever left alive while Eleanor of Aquitaine moved heaven and earth to raise the exorbitant ransom For the five years remaining to him betrayals intrigues wars and illness were ever present So were his infidelities perhaps a pattern set by his father's faithlessness to Eleanor But the courage compassion and intelligence of this warrior king became the stuff of legend and A King's Ransom brings the man and his world fully and powerfully alive
