A Married Man:

A Married Man Piers Paul Read, 1979 A Married Man Piers Paul Read, 1979 Each August barrister John Strickland leaves London for his annual holiday at his wife's family home in Norfolk But this year he reads something that changes him for good and within months he has become a socialist MP and adulterer but he is forever a married man **The Reflections of a Married Man** Robert Grant, 1892 A MARRIED MAN ... PERCEPTIONS ABOUT ... LOVE Adrian Gabriel Dumitru, And what if one day after stop loving someone that you liked so so much you decide to replace that big whole from your soul with loving all the people from the timeline of your life Today i believe that to understand the life itself we need to experience love in whatever form it might appear to us It sounds weird or even as a total nonsense but in the end following the paths of life I always realized that everything comes by itself Not so long time ago before becoming 40 I heard lots of strange ideas about the change is happening in man's perspective about life the next second he comes to this age In fact the truth is that only 2 versions worth to be mentioned and i saw that at all my friends that had this age One theory was that we start to have all types of medical problems and the other one was that the man starts to be obsessed by love love stories and all the women from the timeline of his life I never had medical problems in my life so i totally ignored the first theory and on another hand working in sales for more than 20 years i met thousands of ladies but never had the intention to cheat my wife So i totally ignored both theories but just few days before becoming 40 a very beautiful lady appeared in my life She was the most unexpected person i could dream that i would start a love story with but it happened The theory was right or at least one of it I fell in love with that amazing soul and i started to write all my feelings and everything related to us I wrote so much that one day i realized that i published 10 books carrying the word love inside of the title But same as any other story from the history of the human being my love story had a beginning the story itself and the end Today looking back in time i see just the 10 books i wrote but i would not like to read them again Never In my last book about love stories Loving but not understanding where the love goes the last 2 essays i wrote tell everything it was in my heart and soul I miss you a lot but i don't want you back in my life Never again and Awakening can be obtained at the end of the love story I left the love story dissatisfied of all happened but still i was chasing for love Getting back into her arms was useless I knew it and even if i lied myself for such a long time she was the same as my wife a shrew or at least this is how i saw both of them I decided to let my life continue near my family totally forgetting the love story but still not ignoring my huge desire for love The smaller kid told me one day while arguing with my wife You are not allowed to leave us You are our parents and you don't have the right to do that Ignoring those words was equal with betrayal A huge one So i remained near my wife and kids doing my duty understanding the dharmic side of life but still something was whispering me all the time love love love love love I thought i need to find another lady but my wife was paying attention now to any small detail so i could not repeat the love story i had with that crazy lady I was meditating a lot On the scene of my life i met lots of other people in the same situation as myself

that ended the love story and somehow started to be in a relationship with themselves They discovered a new path the one of self love But i did not know anything about the subject and not even wanted to bother becoming more profound and connected to myself I actually did not wanted to start a new relationship either with someone else either with myself I knew i needed something else into my life but did not understood the new path i need to follow And i continued searching On and on and on One day a year ago while having a fire at one of my properties a heart appeared on the roof of the building Everyone saw the heart except myself Later on i saw it in the pictures taken by the people that were there at the time Again I thought that i should find a new mistress and have a parallel life again without my wife to find out But i was wrong So damn wrong Time passed and and the russian ukrainian war began and i started to host lots of refugees There were people that needed unconditional love and support and i somehow connected to the all of them realizing that i can be in a weird love story with all those women coming from Ukraine They were ladies of different age and personality but i loved having them into my life I somehow started to understand that even if i thought that being in love can have only 2 options loving a soulmate or yourself i finally saw a totally new path and that was being in a lovely relationship practicing another type of love with anyone was appearing in my reality That of course could not offend in any way my wife and also could not affect the marriage i had but Yes It was an amazing trick and i just loved it I finally understood what Dalai Lama or Pope Francis were saying about unconditional love for all the people from this world Reading their books i even had moments when i thought the 2 of them were idiots but i was the idiot one My marriage was indeed karmic having nothing to do with love but my youngest son learnt me the meaning of dharma My mistress which even if i loved so so much but don t even want to hear her name again taught me what love means She was somehow a combination between karma and love and saw her at the end of our love story more as a teacher than a soulmate Most probably i have totally different values as those 2 shrews my wife and my mistress but i am happy i met the ucrainian ladies The abstract love story i started with them all of them no matter of age personality perspectives of life was a much better path for continuing my life journey I finally understood that if i would know to connect to the people that appear on the timeline of my life and love them unconditionally somehow that love that i was chasing so so much since i was a kid will come back to me in infinite quantities I was looking for love and i had to see the meaning of love story from a totally different perspective But now everything was clear to me I knew what i had to do and which path to follow My expectation was as my wife to love me but she was a karmic character that i could not replace or my mistresses to love me unconditionally but she was the teacher that made me realize what the concept of love means My life journey had to continue and the ucrainian ladies showed me such a beautiful perspective i never thought about I was glad of this awakening moment So loving you loving me or simple loving any soul that appears in our lives Well maybe from my position where i am now being in a love story with everyone is probably the best scenario i could live Am glad i see things today as that Might be your perception or not Might sound as a total nonsense all what i am writing but maybe it will be much interesting to hear

weird ideas than the boring ones So let the journey begin and we will see if i succeed to really connect to my real self so that i can find the inspiration to express myself clear enough that in the end you will try at least one time this kind of abstract love story being in love with all the people from your life

A Married Man Piers Paul Read ((romancier ;),1983 **The Reflections of a Married Man ..** Robert Grant,1892 *Memoirs of a Married Man* Richard K. Sharon,1978 *The Reflections of a Married Man* Robert GRANT (Novelist.),1892 **The Essential Guide for the Married Man** E Paul Allerton,2020-12-02

Marriage and becoming a father are two of the most important Rites of Passage in a man s life Unfortunately our society no longer recognizes them as such nor do the elder men prepare counsel and train the younger men to succeed in these endeavors As a result good men and women enter marriage with false expectations and misconceptions about how to create a successful marriage and a meaningful life There is hope If you are struggling losing faith in your marriage don t quit You can learn and master the principles to be successful end the conflict save your marriage and restore your family If you are not married you can prepare yourself to enjoy the best that a lifelong marriage can bring You can lead your family to thrive providing your children a secure and loving home At the end of the day it all comes down to your ability to lead yourself and then your ability to lead your family based on your actions The direction of your leadership comes from the foundation of your life your purpose Your purpose will determine the qualities of character that you must develop You must consciously choose and master the attitude necessary to sustain the self discipline to navigate the storms of life so that you can serve your purpose If you remain focused on these four attributes of your life and firmly rooted in your values you will create an amazing legacy for yourself your wife your children and your community Truly practical guidance for real success

Confessions of a Happily Married Man is a husband s painfully honest account of his first ten years of marriage It offers a

window into the perspective of a man who went from hello to I do in nine months and then figured out how hard marriage could be When Joshua Rogers thought back on the marriage books he had read or sermons about marriage he had heard it occurred to him that he could only remember one thing about them the stories That s why this book is anchored by stories that other couples will relate to and can easily learn from The stories are cringe worthy humorous inspiring heart breaking and full of wisdom but the author isn t telling the reader what to do with that wisdom He s letting the reader learn along with him as he s gradually becoming more self aware increasingly grateful for his wife and surprised to discover what God is doing in the middle of it all
