Sandra, 2015-07-29 Are you searching for real love Do you have dreams and goals that you have not yet accomplished This  
book will guide you on love what it is and what it is not Guided activities at the end of each chapter will help us with the  
understanding of true love Our lives are journeys filled with purpose and promise We must be diligent get over ourselves and  
help one another We can start by refocusing on all areas of our lives at the beginning with love A Message of Love will help  
us refocus on what is really important to ensure that we live happy and healthy lives My heart goes out to so many people I  
talk to many people about love and the common phrase that I often summarize as I am searching for love My challenge to  
them is Do you know what love is As we search for love we are really and truly searching for God because simply put He is  
love Once we grasp that He is love He is all we need and all we should desire everything else in our lives will fall into place  
So I challenge everyone in search for love to stop searching and focus on building a relationship with God He will show you
