**[A Parent's Guide to High-Functioning Autism Spectrum Disorder, Second Edition](#)** Sally Ozonoff,Geraldine Dawson,James C. McPartland,2014-11-13 Packed with real life stories and everyday problem solving ideas this book has

given many tens of thousands of parents the facts they need about high functioning autism spectrum disorder ASD including Asperger syndrome. The authors are leading experts who describe ways to work with these kids unique impairments and capabilities so they can grow into happy self sufficient adults. Parents learn practical strategies for helping their son or daughter relate more comfortably to peers learn the rules of appropriate behavior and succeed in school. The book also discusses what scientists currently know about ASD and how it is diagnosed as well as what treatments and educational supports have been shown to work. Updated with the latest research resources and clinical strategies the second edition clearly explains the diagnostic changes in DSM 5. **Parent's Guide to Coping with Autism** Sarah Ziegel, 2016-07-31. This is an essential guide for parents and carers coping with children with autism. When Sarah Ziegel's twin boys were diagnosed with autism aged almost three she realized that there was very little practical information about what to do. When her next two children were also diagnosed with the condition she was even more determined to put that lack of information right. This book is the result of Sarah's experiences of dealing with autism in the family. While covering personal aspects such as coping emotionally with a diagnosis the book also tackles practical matters such as education and the EHCP process how to get help and support and also considers the medical side of autism. Written by a former nurse and full time mother and carer A Parent's Guide to Coping with Autism is a highly sensitive and professional guide and is the book you will want to reach for when faced with a diagnosis or if you simply want to find out more about the condition.

*Facing Autism* Kathleen Mueller, 2008-10. There is the heartache we all share when our child is given the diagnosis of autism. At first we feel all alone in the world wondering how this could happen to my child but we are not alone there are a growing number of families who have a child who has been diagnosed with autism. A mother tells her story and explains how she took control of her son's future by creating her own therapy sharing with other parents how she was able to determine what her son needed and then how to implement those needs into lessons he could understand. Gain insight into the ways in which you can begin providing your own therapy for your child or choosing to home school if that is your wish. If you have a child that has not been diagnosed with Autism Spectrum Disorder but you suspect they might be autistic learn the diagnostic criteria used by professionals in diagnosing Autism Spectrum Disorders.

**The Conscious Parent's Guide to Autism** Marci Lebowitz, 2015-12-04. Help your child feel confident and capable. If your child has a diagnosis of on the autism spectrum you may be feeling overwhelmed and most likely intimidated.
