INTERITV VINDICARI SVMMORVM VIRORVM INDVSTRIA POTVERVNT Tertullianus, Arnobius, 1580 **FEMDOM College Punishments (Omnibus Edition)** Mark Maguire, Mistress Jade, 2017-04-02 Mistress Jade is a woman who is always very much in charge and control. She really enjoys her job as Housemistress at St Boniface's Sixth Form College where she has the great pleasure of punishing the young men who so frequently misbehave. In these five complete highly erotic stories for over 18s only she deals with five very regretful young men who are going to discover the very painful consequences of bad behaviour. Lateness, rudeness, lewd graffiti, truancy, lies and stealing are all painfully dealt with by Mistress Jade's expertly applied corporal punishments. They won't be sitting down for the rest of the day after her prolonged spankings followed by the whippy cane. Wow does that cane sting! And Jade knows just where on a young man's bottom to apply the strokes to make them sting the most. The sixth formers are all over 18 and as grown men they greatly benefit from the hard corporal punishment their Mistress administers regularly to their bare bottoms. This embarrassing and humiliating aspect is often more of an ordeal for the young men to endure than the excruciating pain of one of Jade's spankings or hard canings. They really dread the exposure of their most private parts possibly more than the fiercely smarting buttocks they always have when they leave her study.
