Bringing the PMBOK Guide to Life Frank P. Saladis,Harold Kerzner,2011-11-16 Transform the PMBOK Guide from a framework to a sharpened tool in your project manager's toolbox In project management circles it's often joked that there's the right way the wrong way and the PMBOK way to manage projects In truth it's really about the methodology you choose The PMBOK Guide is a consensus based standard that thousands of project management professionals find immensely valuable in the process of developing an effective methodology But exactly how does a project manager take the information

provided in the PMBOK Guide and apply it most effectively and appropriately to an actual project environment. This book can be the answer. It is basically a guide to the guide a road map to applying the tools of the PMBOK Guide to your organization's or project's unique nature and requirements. Bringing the PMBOK Guide to Life A Companion for the Practicing Project Manager builds a bridge between the PMBOK Guide and the common needs of today's practicing project managers. It explains and elaborates on specific techniques, terms and the application of tools that will enable project managers to effectively adapt the principles and processes described in the PMBOK Guide to the practical world of project management. Readers will find suggested approaches for the use of project management tools and techniques along with templates developed directly from information provided in the PMBOK Guide. Suggestions and study tips are also included to assist in preparing for the PMP exam and a Project Plan Accelerator PPA can be used with the PMBOK Guide by project managers and project teams to develop plans that are specifically tailored to meet the needs of your team, your clients and your sponsoring organization. Written by two of the leading experts in the field Bringing the PMBOK to Life will help every project manager translate the PMBOK Guide's tools and techniques into actionable commonsense approaches to managing a project. PMI PMBOK, PMP and Project Management Professional are registered marks of the Project Management Institute Inc.
