**A Joke a Day - My Facebook 2014** Lorraine Tipene, 2015-02-17 New Year's Eve 2013 I was reading all the posts wishing everyone a Happy New Year etc when I came up with my own post This is what it said OK everyone always wishes everyone else a Happy New Year so my contribution to making your 2014 a very happy year is to endeavour to tell you a new joke every day starting with this one It was that time during the Sunday morning service for the children's sermon All the children were invited to come forward One little girl was wearing a particularly pretty dress and as she sat down the minister leaned over and said That is a very pretty dress Is it your Easter Dress The little girl replied directly into the minister's clip on microphone Yes and my Mum said it's a bitch to iron At the beginning that was all I intended to do but as the year wore on people were asking me to continue the joke telling into 2015 and telling me how much the joke of the day meant to them Some people were messaging me to ask if I was ok if I was a bit late posting my joke others told me it brightened their day and it was the first thing they did when they logged into Facebook Others thanked me and shared my jokes This got me thinking that if everyone was enjoying them why not share them in a book and raise funds for a deserving cause at the same time All proceeds from the sale of this book go to the National Autistic Society UK **WARNING ADULT CONTENT NOT**

**In the Land of the Uprights** Kathaleen Sorensen, 2024-07-30 I strive to create an example of all that I can be so that others in my situation can see disability for what it is Disability does not separate me from anyone All people are disabled and only some are temporarily enabled Everyone will age Everyone will need a little help If people understand this then all are equal

Thomas Thomas is a brilliant student an advocate for people with special needs and a loving son and brother He has a rare form of muscular dystrophy that over a short time leaves him completely physically helpless He cannot roll over swat away flies or feed himself and he requires 24 7 care But despite his daily challenges Thomas never lets his disability get in the way Always quick with a joke he s eternally optimistic finds the positive in any situation and looks out for those around him trying to make their day better In *Living in the Land of the Uprights* Thomas s mother Kathy recounts Thomas s journey as their family faces uphill battles navigating doctor s appointments visits to emergency rooms advocating for funding and fighting for equal rights for Thomas A close knit family they celebrate successes and support each other through heartbreak In his time on earth Thomas faces the world on his terms and vows everyone he encounters never taking no for an answer and lobbying to move across the country to follow his dream He and his family have no idea of the powerful impact he will have and how he will change so many lives When you read this book not only will you feel the pure blissful passion of Thomas s life story but you will also learn how to leave a legacy that will live forever as Thomas has done through kindness perseverance and humour
