## **A Lifetime On Clouds Text Classics:**

**A Lifetime on Clouds** Gerald Murnane, 2013-10-23 Adrian Sherd is a teenage boy in Melbourne of the 1950s the last years before television and the family car changed suburbia forever Earnest and isolated tormented by his hormones and his religious devotion Adrian dreams of elaborate orgies with American film stars and of marrying his sweetheart and fathering eleven children by her He even dreams a history of the world as a chronicle of sexual frustration A Lifetime on Clouds is funny honest and sweetly told a less ribald Catholic Australian Portnoy's Complaint Gerald Murnane was born in Melbourne in 1939 His first novel Tamarisk Row was published in 1974 It was followed by A Lifetime on Clouds The Plains and five other works of fiction the most recent of which is A History of Books In 1999 he won the Patrick White Award Ten years later he won the Melbourne Prize for Literature Unquestionably one of the most original writers working in Australia today Australian A Lifetime on Clouds delighted me I was particularly admiring of the author's unfailing ability to say just enough and no more Les Murray Sydney Morning Herald Murnane draws out a great deal of comedy from the distance between what his hero does and what he dreams Guardian If you only ever read one Gerald Murnane novel in your life I urge you to make it this one Andy Griffiths in his introduction I for Isobel Amy Witting, 2014-01-29 Winner of the Barbara Ramsden Prize 1990 This was life no sooner had you built yourself your little raft and felt secure than it came to pieces under you and you were swimming again Born into a world without welcome Isobel observes it as warily as an alien trying to pass for a native Her collection of imaginary friends includes the Virgin Mary and Sherlock Holmes Later she meets Byron W H Auden and T S Eliot Isobel is not so much at ease with the flesh and blood people she meets and least of all with herself until a lucky encounter and a little detective work reveal her identity and her true situation in life I for Isobel a modern day Australian classic was followed by Isobel on the Way to the Corner Shop winner of the Age Book of the Year Award Amy Witting was born in Annandale an inner suburb of Sydney in 1918 She attended Sydney University then taught French and English in state schools Beginning late in life she published six novels including The Visit I for Isobel Isobel on the Way to the Corner Shop and Maria's War two collections of short stories two books of verse Travel Diary and Beauty is the Straw and her Collected Poems When we come to write the history of Australian writing in the twentieth century the strange case of Amy Witting will be there to haunt us Here is a writer who not only has great gifts the kind of expert and mimetic gifts that would impel instant recognition from someone who admired a fine lined American naturalist like William Maxwell but a realist who has an effortless immediacy and a compelling sense of drama that should have ensured the widest kind of appeal the sort of appeal that Helen Garner could command in her fiction writing days And yet this woman who published in the New Yorker and commanded the respect of Kenneth Slessor was scarcely encouraged during the long grey sleep of Australian fiction publishing It wasn't until the publication of I for Isobel that Witting gained a national profile Peter Craven Australia's Amy Witting is comparable to Jean Rhys but she has more starch or vinegar The effect is bracing New Yorker Isobel is instinctively

searching for a lost part of her substance the very memory of which has been obliterated Prompted by her inexplicable sense of loss she goes on her way deviating baffled yet rejecting substitutes To call the ending happy is to say both too much and too little Was the lost part also searching for her Amy Witting s admirers will find this novel as distinctive and compelling as her stories and her poetry Jessica Anderson Witting lays bare with surgical precision the dynamics of families sibling students in coffee shops office coterie One sometimes feels positively winded with unsettling insights There is something relentless almost unnerving in her anatomising of foibles fears obsessions private shame the nature of loneliness the nature of panic Janette Turner Hospital A beautifully but unobtrusively honed style a marvellous ear for dialogue a generous understanding of the complex waywardness of men and women Andrew Riemer Terrific incredibly wise When I finished it I went straight back to the first page Cate Kennedy A Lifetime on Clouds Gerald Murnane,1978 Gerald Murnane Professor Anthony Uhlmann FAHA,2020-03-02 Gerald Murnane is one of Australia s most important contemporary authors but for years was neglected by critics In 2018 the New York Times described him as the greatest living English language writer most people have never heard of and tipped him as a future Nobel Prize winner Gerald Murnane Another World in This One coincides with a renewed interest in his work It includes an important new essay by Murnane himself alongside chapters by established and emerging literary critics from Australia and internationally Together they provide a stimulating reassessment of Murnane s diverse body of work **Landmarks in Classical Literature** Philip Gaskell,2019-07-30 Landmarks in Classical Literature is the final volume in a set of three books about the major authors of Western literature and their works from Classical times until the early twentieth century In this volume Philip Gaskell introduces the work of the greatest writers of Classical Greece and Rome in translation The book begins with prehistory and the age of the Homeric epics the Iliad and the Odyssey and looks at later lyric poets such as Sappho and Pindar There follows the great age of classical Greece of miraculous art and pristine democracy with Sophocles and his fellow dramatists the historians Herodotus and Thucydides and Plato s fascinating Socratic dialogues After a brief consideration of the next Hellenistic period of Greek culture which included the work of the pastoral poet Theocritus the book moves on to the golden age of Roman literature Here are the poets and thinkers of late Republican and early Imperial Rome a turbulent period of war and grandeur including Julius Caesar soldier historian and dictator Cicero politician lawyer and letter writer the poets Virgil of the Aeneid Horace and Ovid and Tacitus the greatest Roman historian There are chapters covering politics and society religion culture and the arts language warfare economics technology and philosophy to enable the reader to understand and appreciate the literature in its various contexts Advice about reading the classics in translation and the form and pronunciation of classical names and metre in classical verse is provided from the outset and guidance on the best translations is given An appendix provides more specialised information on the survival of ancient texts and textual scholarship Features Introduces the best and most important literature of ancient Greece and Rome Clearly and engagingly written for readers with no prior knowledge of the

**The Landscape of Words** Robert E. Harrist, 2008 This is the first study in a Western language devoted to one of the most visually distinctive features of the landscape in China moya or moya shike texts carved into granite boulders and cliffs that are part of the natural terrain at thousands of sites of historic or scenic interest These inscriptions carved in large bold characters served as a vast repository of texts produced continuously for over two thousand years and constitute an important form of public art Focusing on the period prior to the eighth century C E Harrist demonstrates that the significance of the inscriptions depends on the interaction of words with topography so that the medium of the written work has transformed geological formations into landscapes of ideological and religious significance     *Literature* ,1899
