A Little Bit Of Hot:

Adaptive Thermal Comfort: Foundations and Analysis Michael Humphreys, Fergus Nicol, Susan Roaf, 2015-08-27
There has been widespread dissatisfaction with accepted models for predicting the conditions that people will find thermally comfortable in buildings. These models require knowledge about clothing and activity but can give little guidance on how to quantify them in any future situation. This has forced designers to make assumptions about people's future behaviour based on very little information and as a result encouraged static design indoor temperatures. This book is the second in a three volume set covering all aspects of Adaptive Thermal Comfort. The first part narrates the development of the adaptive approach to thermal comfort from its early beginnings in the 1960s. It discusses recent work in the field and suggests ways in which it can be developed and modelled. Such models can be used to set dynamic interactive standards for thermal comfort which will help overcome the problems inherited from the past. The second part of the volume engages with the practical and theoretical problems encountered in field studies and in their statistical analysis providing guidance towards their resolution so that valid conclusions may be drawn from such studies. Anchored Kayla Aimee, 2015-07 When Kayla Aimee went into labor after only 24 weeks she felt as though once solid ground had turned to glass beneath her feet. As her newborn daughter struggles to survive Kayla finds herself asking Where is God in this. As Kayla lays bare her struggle to redefine her faith her marriage and herself within the context of a tragedy she never saw coming she uncovers a hope that holds her together.

More Hot Illustrations for Youth Talks Wayne Rice, 2011-05-03 Hot Illustrations for Youth Talks Wayne Rice's original collection of stories, parables and anecdotes was an instant bestseller. Youth workers clamored for more. And here they are. Wayne has assembled another 100 illustrations from his own files and from the files of youth ministry's best speakers: Tony Campolo, Doug Fields, Laurie Polich, Miles McPherson, Brennan Manning, Les Christie, Bill McNabb, Joel Lusz and many more. Here are all kinds of stories for all kinds of youth talks: devotionals, Bible lessons, openers, humorous anecdotes, poignant narratives, fables, real life stories. They're all indexed by topic and they all work with teenagers. They're just the thing to give your youth talks that extra spark you're looking for. If you've used Hot Illustrations for Youth Talks or used it up, welcome to this all new collection. If this is your introduction to Hot Illustrations you're in for a treat and your kids will love you for it.
