A Brief History of the 6th Marines William Kenefick

Jones, 1987 *An Annotated Reading List of United States Marine Corps History* Harold A. Bivins, 1971 *Decorated Marines of the Fourth Brigade in World War I* George B. Clark, 2015-01-28 World War I found American soldiers overseas participating in unprecedented acts of bravery and valor Faced with the need to recognize these outstanding deeds by soldiers of all ranks and creeds the United States established the Silver Star citation consisting of a small star which was placed on a Victory Medal Ribbon by the honored soldier These citations were issued by each division as well as by the Armed Expeditionary Force This sometimes resulted in duplicate honors for one feat of valor and contributed to the general lack of a consistent process for awarding such citations Nevertheless the Silver Star along with more prestigious awards such as the Medal of Honor and the Distinguished Service Cross reflected the significant contributions U S soldiers made to the war effort This volume contains a complete accounting of every member of the Fourth Marine Brigade who received an award of some kind during World War I Beginning with an overview of the brigade's contributions to the war effort the book lists each individual and the honors he received Citations which were generally written by a superior usually an officer read as originally written and consequently do not always provide an accurate representation of the heroic act Prewar and postwar experience is noted when available The award entry site designated as Verdun Belleau Wood Soissons St Mihiel Blanc Mont or Meuse Argonne is also listed Foreign honors such as the French Croix de Guerre the Montenegrin Silver Medal of Valor and Italian War Cross are denoted when applicable An appendix contains detailed information on the inauguration of the Silver Star citation **Battle History of the United States Marine Corps, 1775-1945** George B. Clark, 2014-01-10 Designed as a reference work for those interested in the combat history of the U S Marine Corps this book describes the engagements from the formation of the Continental Marines to the Corps great exercise at the Battle of
