A Paris Moment:

A Paris Moment, 2015 When Linda Cope is offered a one year posting in the world's most popular destination Paris husband writer Gord goes along for the ride Gord and Linda settle into an apartment on rue Barbette on the Right Bank of the Seine in Le Marais a neighbourhood rich in controversy culture and craziness In short their kind of place Gord finds his role in the cast of Le Marais as a Canadian househusband in Paris As he makes his way through the months struggling with dictionary French and ex pat fever sampling all the delicacies the boulangeries can offer befriending shopkeepers and street people Gord records his musings on Le Marais and the people and history that live there Here are exuberant vignettes of Parisian life the curse of the Vespa the thrills of balcony gardening and fishmonger oysters discovering Beaujolais Nouveau Day and the morning after the odd and fascinating tales that just don't make it into guidebooks Such are the many moments that create A Paris Moment

In a Paris Moment Meredith Mullins, 2005 Travel to the City of Light with this stunning collection of photographs and beautifully written vignettes illuminating the heart of Paris With this elegant book in hand readers will enjoy an intimate look at the beauty humor rhythms and spirited characters that are so much a part of Parisian life

Annabelle Thong Imran Hashim, 2016 *Regime Changes in 20th Century Europe* Noora Kotilainen, Tuomas Kuronen, Marja Vuorinen, 2016-12-14 In retrospect historical change often appears to be both logical and inevitable Yet as a process as a series of moments it is by nature open ended The protagonists are unaware of the potential consequences of their choices as well as the meaning of their actions in the greater scheme of things An individual in real time and in the middle of events has little scope for understanding the whole The dynamic of a regime change involves a journey away from a particular past towards a chosen future while the practices of the old regime are called into question The competing visions for a better future often include a reactionary option looking back towards an older period perceived as a golden age waiting to be restored In the aftermath of a regime change the new cadres seeking to consolidate their power form the new conservative bloc of the society When revolutionary forces again begin to gather the regime disintegrates and the cycle begins again So far regime changes have been analysed as unique one off events This book traces what such processes regardless of their ideological colour have in common How does political power change hands What are the mental and material tools of change From the last stages of World War I to the present Crimean crisis the case studies in this book offer timeless insights for understanding ideological and military conflicts including the undercurrents of the present Russo Western relations
