

AND WHEN I FALL,

You are enough and you're going
to do amazing things. You have a
smile that could change the world.
You can do more than you think you
are sure than you think.

PIECE ME BACK TOGETHER

Baby I'm yours and I'll be yours
until the stars fall from the sky,
Years until the rivers all run dry
In other words, until I die.

John Bunyan

A Piece Of Me:

A Piece of Me Sandra E. Grey-Smith, 2011-04 This book A Piece of Me is just that a piece of me Growing up in two different households trying to live what I learned from both and not understanding the realities of this thing called LIFE Some lessons were hard and some were easy but there was always a lesson In retrospect I can now look on pieces of my life in humor or appreciation of the moment and continually see how God moves This may sound like a cliché but Our God IS an AWESOME God

He Took a Piece of Me with Him Suzanne Sigmund, 2022-07-20 He Took a Piece of Me with Him Echoes of What Once Was By Suzanne Sigmund With bits of humor and a lot of heart He Took a Piece of Me with Him Echoes of What Once Was is the true story of Suzanne Sigmund's life with her husband up to the time of his death and the recovery that followed the loss of her best friend Journey through grief and discover what she had to do to begin the healing process and find a new happiness in her existence including the things she did to help pull herself out of the fog Learn from her experience that grief is not one size fits all and that during this journey you are not alone with your feelings of sadness loneliness guilt or even anger In the end there is no right or wrong way to deal with grief only trial and error and learning what works best for you
