A Practical Guide To Evangelism Supernaturally:

A Practical Guide to Evangelism-- Supernaturally Chris Overstreet,2011-05-17 The best way to describe evangelism in its simplicity is an outer flow of love and power to the world because of your committed loving relationship with Jesus A Practical Guide to Evangelism Supernaturally has the potential to ignite the fire of God s love to touch a hurting and dying world As believers our first ministry is to the Lord Jesus Christ is our worship and devotion Our second ministry is to be in community and fellowship with other Christians Our third ministry we will never be able to do in Heaven and that is to share our faith with non Christians This ministry has urgency behind it because God s heart is for the lost and His desire is that none perish but all have everlasting life In this book you will be trained and equipped to live a lifestyle of supernatural evangelism You can make a difference for all of eternity by demonstrating God s love and power to the world starting today

Daily Light on the Prisoner's Path J. R. Woodgates,2020-05-04 Probably the most effective direct investment you can make in the life of a man living behind bars See what others say about this book in the reviews below If you have a friend or loved one living in confinement who might be ready to make peace with God himself and others this book will instruct him how to receive God s total forgiveness experience God s favor and goodness right where he is and begin walking on a new positive and purposeful path Your incarcerated relative or friend is facing daily physical and spiritual perils Help him out by ordering him this unique daily Christian survival guide browse through it now by clicking on Look inside Order another copy or Kindle version for yourself to be refreshed along with him by the morning and evening Scripture selections KJV as he finds relief from the despair and discord surrounding him He will learn of God s eagerness to bless him restore him and make him a channel of supernatural grace to other inmates Daily Light on the Prisoner s Path will show him how to Receive God s full pardon forgiveness and acceptance along with a new identity as a loved son of the Father and a positive sense of purpose and expectation Repulse the spiritual and emotional assaults of the enemy Find resources to overcome boyhood issues or abuses that may have led to his criminal activity and Use spiritual authority led by the Holy Spirit to supernaturally transform the dark atmosphere and people around him This is the only comprehensive Christian resource available for men behind bars Now parents pastors chaplains prison ministries spouses other family members and friends can give to men living in confinement a life restoring companion for use every day along their often perilous prisoner path *Do What Jesus Did* Robby Dawkins,2013-06-15 A Real Life Field Guide to Doing What Jesus Did The things Jesus did are not just for Bible times They are for today For everyone Chicagoland pastor Robby Dawkins sees this again and again in his ministry to hurting people and even to gang members Everyday people are seeing God s power unleashed through simple faith in God s Word they are healing the sick routing demons and making a dynamic impact for the Kingdom of God But many other believers are missing out unaware that they have far more power and authority than they realize Dawkins shares dynamic real life instruction and amazing stories from the front lines of ministry showing that believers carry the authority of the Son of God

and the power of the Holy Spirit wherever they are When we walk in the presence and authority of God we will do what Jesus did *Follow Me* Richard Spencer,2016-10-06 The purpose of this book is to awaken the church in this country to see that God is calling for a radical change of heart that will result in entering into the reality of being the body and the bride of Christ Inspired by the centurion in Matthew and Luke's Gospels the book uses an analogy of the practices of armies since Roman times with God's plan for his church in the cosmic war against the forces of evil The book shows the absolute need for churches and individuals to prioritise receiving and obeying their particular stream of orders from the Commander in Chief Then Jesus will be able to lead us as a regular army and not just as guerrilla fighters in a major campaign that will be revival

A New Apostolic Reformation? R. Douglass Geivett,Holly Pivec,2018-07-25

This critique provides a framework for understanding and interpreting the widespread but little known New Apostolic Reformation movement As the authors state in the preface We write this book with two major goals in mind First to give people an idea of the sheer size and reach of the NAR movement And second to systematize its key teachings and practices and evaluate them on the basis of Scripture and careful reasoning In our judgment the NAR perspective crosses these boundaries that is certain broad parameters revealed in Scripture and practiced in the historical orthodox church and it does so in part because of flawed theology rooted in a flawed understanding of Scripture
