A Prodigal Son Returns:

[A Prodigal Son Returns](#) Brian Shell, 2015-01-08 From idyllic spiritual beginnings in the Catholic Church one young man has a priest attempt to molest him. It causes a schism from his faith in the church. Yet he never loses his sense of God and decides to return after years and years away. This journey of his faith depicts one man's attempts not to throw the baby out with the bathwater. He regains his soul and is reunited with his Faith now with more than the Catholic Church fueling his spirit to do good today so you never have to regret tomorrow. Still he never gives up his sense of his spiritual home and now bows before the Lord as a prodigal son.

They were raised with love and compassion yet they decided to venture out on their own in a far country to live a life free from the authority of their parents. When life doesn't go the way they thought losing everything they inherit and ending up in low down situations they finally come to their senses. What kind of sons return home to their parents?

[Paul's Letter to Philemon: A Historical and Exegetical Commentary](#) Joshua Houston, 2019-12-31 Many commentaries overlook or briefly discuss the small book of Philemon. The letter is often grouped with the other prison letters of Paul and has rarely received its own attention. However the letter to Philemon demands its own commentary. There is much to say concerning these 25 short verses. Once we see ourselves in Onesimus Philemon and Paul we can see its truth that still resonates with us today.
