SAP R/3 Implementation Guide Bradley D. Hiquet, 1999 **Advanced Topics in Global Information Management** M. Gordon Hunter, Felix B. Tan, 2004-01-01 Advanced Topics in Global Information Management is the third in a series of books on advance topics in global information management GIM GIM research continues to progress with some scholars pushing the boundaries of thinking and others challenging the status quo Note This book is part of a new series entitled Advanced Topics in Global Information Management This book is Volume Three within this series Vol III 2004 **Qualitative Case Studies on Implementation of Enterprise Wide Systems** Liisa von Hellens, Sue Nielsen, Jenine Beekhuyzen, 2005-01-01 This book brings together recent qualitative research studies in enterprise wide implementations This collection is useful as a teaching case for academia a student reference and also for academics researchers and IT practitioners who wish to gain a broad view of ERP implementation success and failure This book provides relevant methodologies and recent empirical research findings in the area and includes sufficient background information for an understanding of each case but focuses on providing a rich description of more than a dozen real life cases **Systems Engineering for Business Process Change** Peter Henderson, 2012-12-06 A very large proportion of commercial and industrial concerns in the UK find their business competitiveness dependent on huge quantities of already installed legacy IT Often the nature of their business is such that to remain competitive they have to be able to change their business processes Sometimes the required change is radical and revolutionary but more often the required change is incremental For such incremental change a major systems engineering problem arises The cost and delay involved in changing the installed IT to meet the changed business requirements is much too high In order to address this issue the UK Engineering and Physical Science Research Council EPSRC set up in 1996 a managed research programme entitled Systems Engineering for Business Process Change SEBPC I was appointed as co ordinator of the programme The overall aim of this new managed research programme was to release the full potential of IT as an enabler of business process change and to overcome the disabling effects which the build up of legacy systems has on such change As such this aim addressed a stated objective of the Information Technology and Computer Science IT CS part of EPSRC to encourage research at a system level **Implementation of an Enterprise Resource Planning System with Focus on End-User Training** Elke Simon, 1999-11-24 Inhaltsangabe Abstract The implementation of an Enterprise Resource Planning ERP system refers to Information Systems Business Processes and People Basically it is a changing procedure in organizations that strive for company wide high performance Business Process Transformation is about changing a company s focus from products to customers Information Systems are replaced by a homogenous system environment which integrates all information into a common system The behaviour and skills of the company wide personnel are adapted to perform in the new world The big challenge of the implementation is to have the properly trained people for a high performance organization Unfortunately most companies do not recognize that need They

underestimate the impact that the human factor has on an ERP approach they consider the implementation as a software installation with influence to the business But the implementation is much more complex This thesis is dedicated to all those persons who intend to implement an Enterprise Resource Planning system and who want to understand the theory of Business Process Transformation and how it is linked to Enterprise Resource Planning To emphasize the importance of the human factors within the implementation chapter 4 elaborates on End User Training as a significant part of an implementation for a company dedicated to becoming a high performance organization This paper also includes a case study of an ERP implementation at Mitel Corporation The case study presents information about the Company its ERP implementation and its approach to End User Training Inhaltsverzeichnis Table of Contents AcknowledgementIII ContentsIV List of IllustrationsVII List of TablesVIII List of TermsIX Abstract1 1 Introduction2 2 Business Process Transformation BPT 4 2 1Origins of Today s Organisations4 2 1 1History4 2 1 2Typical Business Process5 2 2Business Process Transformation Terminology7 2 2 1Motives for Business Process Transformation7 2 2 2Reengineering The Radical Change9 2 2 3Improvement The Incremental Change11 2 2 4Reengineering versus Improvement12 2 3From the Functional to the Process oriented Organization15 2 3 1Functional Organization15 2 3 2Process oriented Organization17 3 Enterprise Resource Planning ERP 19 3 1Business Process Transformation as a Pre requisite20 3 2SAP R 3 System A Tool for BPT21 3 2 1Introduction of SAP21 3 2 2SAP R 3 System
