**Motors International Volume 3** Louis F. Fourie, 2016-12-27 Volume One traces the history of Opel and Vauxhall separately  
from inception through to the 1970s and thereafter collectively to 2015 Special attention is devoted to examining innovative  
engineering features and the role Opel has taken of providing global platforms for GM Each model is examined individually  
and supplemented by exhaustive supporting specification tables The fascinating history of Saab and Lotus begins with their  
humble beginnings and examines each model in detail and looks at why these unusual marques came under the GM Banner  
Included is a penetrating review of Saab through to its unfortunate demise Volume Two examines unique models and  
variations of Chevrolet and Buick manufactured in the Southern Hemisphere and Asia but never offered in North America  
Daewoo Wuling and Baojun are other Asian brands covered in detail This volume concludes with recording the remarkable  
early success of Holden and its continued independence through to today Volume Three covers the smaller assembly  
operations around the world and the evolution of GM's export operations A brief history of Isuzu Subaru and Suzuki looks at  
the three minority interests GM held in Asia The GM North American model specifications are the most comprehensive to be  
found in a single book Global and regional sales statistics are included GM executives and management from around the  
globe are listed with the roles they held An index ensures that these volumes serve as the ideal reference source on GM
