Eagle Folding Camping Trailer Owner's Manual

WARNING : Read all instructions before using your trailer.

This manual has been provided by Jayco, Inc. for the sole purpose of providing instructions concerning the operation and maintenance of this vehicle and its components. Nothing in this manual creates any warranty, either expressed or implied. The only warranty offered by Jayco, Inc. is set forth in the limited warranty applicable to this vehicle.

The buyer's failure to properly maintain and/or service could result in the loss of warranty. The owner should review Jayco's limited warranty and the limited warranties of all other manufacturers affecting them that are applicable to this vehicle.

Instructions are included in the manual for operating various options which are optional on some vehicles. In addition, the owner should refer to instructions in manufacturer's operating instructions contained in the owner's pocket.

10.2.10.20 G.10 Review the compatibility of your tow vehicle with the trailer you will be towing. You should not exceed the gross vehicle weight rating of the trailer (GVWR). If your towed vehicle weight will exceed a limit that is adequate for that weight, then, as the owner, you are responsible for the safety and/or publicity of your tow vehicle and trailer combination. Consult your tow vehicle manufacturer with any questions before you tow your trailer. You are responsible for the maintenance of your tow vehicle and trailer. Do not exceed the tow or cargo capacity of your tow vehicle, and remember that the GVWR relates to tow capacity and does not necessarily indicate towing capacity. Do not overload your trailer with additional cargo or tank fluid to exceed the GVWR of the trailer. Do not load your trailer so that it is unbalanced side to side or front or rear. When side-to-side, you should clearly understand how your particular tow vehicle manufacturer's calculations to determine your tow vehicle are then used for your intended usage and give particular attention to suspension characteristics, load and tire pressure. We recommend you contact your chassis and weight distribution distributor with all Jayco tow vehicle questions. Many states have laws against the illegal use of the tow vehicle trailer combination. Check regulations with the tow vehicle trailer manufacturer. Only Jayco can tell you your specific tow vehicle trailer combination. It is recommended that you exceed no more than 10% when tow ing a trailer. Consult an expert for specific advice about your particular trailer. There are periodic RV driving schools and some RV clubs offer driving clinics as part of their characteristics. Information vehicle publications and the Internet can be a source of information regarding RV driving education and almost any topic to help you learn to safely use your recreation vehicle.
