wood panelled libraries often echoing centuries of scholarly tradition And yet it is also a place of cutting edge science interactive learning youth vibrancy and energy It is this dual nature which makes the physical environment of a university so dynamic as well as a highly challenging landscape to design and manage successfully Today the scale of the pressures and the rate of change facing higher education institutions are greater than ever Squeezed public spending rising tuition fees and the growing education ambitions of developing nations are set against a backdrop of rapid technological progress and changing pedagogies What are the repercussions for the physical realities of university planning and architecture And how are university campuses adapting to contend with these pressures University Trends introduces the most significant widespread and thought provoking trends in campus design today Part 1 identifies current trends such as starchitecture large scale campus extensions adaptive re use and international branch campuses Part 2 profiles each trend via highly illustrated global case studies of well publicised as well as lesser known projects The essential guide to current and future trends in campus design

A Cultural History of Law in the Modern Age Richard K. Sherwin,Danielle

Celermajer,2021-03-11 The period since the First World War has been a century distinguished by the loss of any unitary foundation for truth ethics and the legitimate authority of law With the emergence of radical pluralism law has become the site of extraordinary creativity and on occasion a source of rights for those historically excluded from its protection A Cultural History of Law in the Modern Age tells stories of human struggles in the face of state authority including Aboriginal land claims popular resistance to corporate power and the inter generational ramifications of genocidal state violence The essays address how and with what effects different expressive modes ceremonial dance live street theater the acoustics of radio the affective range of film to name a few help to construct memorialize and disseminate political and legal meaning Drawing upon a wealth of visual textual and sound sources A Cultural History of Law in the Modern Age presents essays that examine key cultural case studies of the period on the themes of justice constitution codes agreements arguments property and possession wrongs and the legal profession

A Monetary and Fiscal History of Latin America, 1960–2017 Timothy J.

Kehoe,Juan Pablo Nicolini,2022-01-11 A major new and comprehensive look at six decades of macroeconomic policies across the region What went wrong with the economic development of Latin America over the past half century Along with periods of poor economic performance the region's countries have been plagued by a wide variety of economic crises This major new work brings together dozens of leading economists to explore the economic performance of the ten largest countries in South America and of Mexico Together they advance the fundamental hypothesis that despite different manifestations these crises all have been the result of poorly designed or poorly implemented fiscal and monetary policies Each country is treated in its own section of the book with a lead chapter presenting a comprehensive database of the country's fiscal monetary and economic data from 1960 to 2017 The chapters are drawn from one day academic conferences hosted in all but one case in the focus country with participants including noted economists and former leading policy makers Cowritten with Nobel Prize

winner Thomas J Sargent the editors introduction provides a conceptual framework for analyzing fiscal and monetary policy in countries around the world particularly those less developed A final chapter draws conclusions and suggests directions for further research A vital resource for advanced undergraduate and graduate students of economics and for economic researchers and policy makers A Monetary and Fiscal History of Latin America 1960 2017 goes further than any book in stressing both the singularities and the similarities of the economic histories of Latin America s largest countries
