landscapes have fundamentally changed but the basic principles and best practices for succeeding and future proofing both yourself and your organisation haven't. With a mix of compelling stories, research from the social sciences and psychology and real world insights, *Make Change Work for You* shows how to reignite your career, rekindle creativity and fearlessly innovate your way to success by providing the tools needed to master uncertainty and conquer every challenge in life or business. Using a simple four-part model, Steinberg helps you understand and better respond to the challenges that change can bring.

- 1 Focus: Define the problem and come to understand it objectively.
- 2 Engage: Interact with the challenge and try a range of solutions.
- 3 Assess: Review the responses generated by your tactics.
- 4 React: Adjust your strategy accordingly.

And finally, the book shows how to develop the vital personal and professional skills required to triumph in the new normal by understanding and engaging in the 10 new habits that highly successful people share:

- 1 Play the Odds
- 2 Embrace Tomorrow Today
- 3 Seek Constant Motion
- 4 Lead Don't Follow
- 5 Never Stop Learning
- 6 Create Competitive Advantage
- 7 Connect the Dots
- 8 Pick Your Battles
- 9 Set and Align Your Priorities
- 10 Always Create Value

[Serving Library Users from Asia](#) John Hickok, 2019-06-12. Asian populations are among some of the fastest growing cultural groups in the US. While books on serving other target groups in libraries have been published (e.g. disabled, Latino, seniors etc), few books on serving library users of Asian heritage have been written. Thus, the timely need for this book. Rather than a generalized overview of Asians as a whole, this book has 24 separate chapters, each on 24 specific Asian

countries cultures of East Southeast and South Asia with a wealth of resources for understanding interacting with outreaching to and serving library users of each culture Resources include cultural guides both print and online language helps with sample library vocabulary Asian booksellers nationwide cultural groups professional literature and more Resources and suggestions are given for all three types of libraries public school and academic making this book valuable for all librarians The demographics of each Asian culture numbers and distribution plus history of immigration and international student enrollment is also featured As a bonus each chapter spotlights a US public school and academic library providing model outreach to Asian library users Additionally this book provides a detailed description and analysis of libraries in each of the 24 Asian countries The history development facilities conditions technology classification systems and more of public school and academic libraries are all discussed with detailed documentation Country conditions influencing libraries and library use are also described literacy levels reading cultures languages and writing systems educational systems and more Based on the author s 15 years of research and travels to Asia this work is a must have for all librarians *Walford's Guide to Reference Material: Social and historical sciences, philosophy and religion* Alan Day, Marilyn Mullay, Priscilla Schlicke, Joan M.
