Brown,2015-11-13 The debate about access to scientific research raises questions about the current effectiveness of scholarly communication processes This book explores from an independent point of view the current state of the STM publishing market new publishing technologies and business models as well as the information habit of researchers the politics of research funders and the demand for scientific research as a public good The book also investigates the democratisation of science including how the information needs of knowledge workers outside academia can be embraced in future      **The Problem of College Readiness** William G. Tierney,Julia C. Duncheon,2015-03-30 Though more students are entering college many drop out especially those who are low income and or of color To address this problem educational stakeholders have focused on the concept of college readiness or the preparation a student needs to succeed in college However what it means to be college ready and how to help more students become ready are questions without clear answers By way of historical and contemporary analyses this book uses California as a case study to demonstrate how the state has endeavored to make postsecondary opportunity accessible for all students The contributors also explore the challenges that remain and address what states and schools can do to improve college readiness and

completion     *Political Education* Christopher T. Cross,2014-09-12 In this volume political insider Christopher Cross updates his critically acclaimed bestseller with new chapters and important new insights into future education policy Cross draws on his own experience in Washington along with research and interviews to present a highly readable history of federal education policy from WWII to the Obama administration The book highlights the key players who helped shape federal policy because as Cross writes in his introduction policy development is woven of personalities events and timing This fascinating chronicle demonstrates among other things how federal policy has been a constant influence on what states and local districts do especially with respect to students most at risk     *Yearbook of International Organizations 2014-2015, Volumes 1a & 1b (Set)* Union of International Associations,2014-06-16 Volume 1 A and B covers international organizations throughout the world comprising their aims activities and events     *Thinking and Acting Systemically* Alan Daly,Kara Finnigan,2016-05-19 This volume argues that districts are important as a lever for change given the limited success of school by school efforts Policies that focus on skill development recognize and support performance create opportunities for collaboration build leader capacity and create networks of knowledge sharing hold great potential for improving districts but it will require a paradigm shift in the way we view our public school system and those who work within it away from blame and toward complex systems change     **Chase's Calendar of Events 2013 with CD-ROM** Editors of Chase's Calendar of Events,Editors of Chases Calendar of Events,2012-09-18 12 500 entries 196 countries 365 days Find out what s going on any day of the year anywhere across the globe If you re looking to tie a promotional event to a special month create a suggested reading list based on a festival halfway around the world blog about a historical milestone or do a celebrity birthday roundup on your radio show or Twitterfeed Chase s Calendar of Events is the one resource that has it all For broadcasters journalists event planners public relations professionals librarians editors writers or simply the curious this is one reference you can t do without Chase s Calendar of Events 2013 brings you Milestones such as the 50th anniversary of the March on Washington the 100th birth anniversary of civil rights activist Rosa Parks the 150th anniversary of the Battle of Gettysburg and the 200th birth anniversaries of composers Giuseppe Verdi and Richard Wagner New birthday entries for sports stars such as Robert Griffin III Feb 12 actors such as Jessica Chastain Mar 24 Jean Dujardin June 19 and Benedict Cumberbatch July 19 musical artists such as Pitbull Jan 15 Adam Levine Mar 18 and Scotty McCreery Oct 9 newsmakers such as Fran oise Hollande Aug 12 and many others Special events such as Dyngus Day Apr 1 Bedbug Awareness Week Apr 22 26 National Polka Festival May 24 26 Lincoln Highway Centennial June 30 July 5 Kids Take Over the Kitchen Day Sept 13 the 34th America s Cup Sept 7 22 or Steamcon V Oct 25 27 Search Chase s Any Way You Want Whether you want to target a specific date location or subject our fully searchable CD ROM PC compatible only makes your research quick and easy Also included is a free installer so you can load Chase s directly to your hard drive     **The Parliamentary Debates (Hansard).** Great Britain.
