Context and Text Kevin W. Irwin, 2018-07-12 One of the most influential works in the debate over the concept and definitions of liturgical theology Context and Text by Monsignor Kevin W Irwin is now available in a completely rewritten new edition In light of the historical theological and pastoral mandates of the Constitution on the Sacred Liturgy Context and Text is both a proposal for and an example of an investigation of the Church's liturgical praxis from a liturgical theological perspective This second edition which includes an expanded introduction covers new liturgical and ecclesial contexts resulting from newly promulgated liturgies further research in method for liturgical studies consideration for changes in the cultural contexts in which people celebrate the liturgy Besides brand new chapters on time and sacramentality and additions to the chapter on the arts this edition also considers the ongoing texts and contexts of the liturgy as always a new event in the life and ongoing discussion of liturgical theology within Christianity The Everyday Catholic's Guide to the Liturgy of the Hours Daria Sockey, 2013-02-22 You don't live in a cloister or a monastery but you take your prayer life seriously and want to explore ways to pray regularly and better The Liturgy of the Hours is one of those ways but for those of us who find it a little intimidating Daria Sockey provides a solid overview to this ancient prayer practice The Everyday Catholic's Guide to the Liturgy of the Hours will answer questions like What is the history of the Liturgy of the Hours How can the Liturgy of the Hours fit into a busy schedule Why is the Liturgy of the Hours relevant today Print or online resources Which is better There is a rhythm of prayer not just throughout the day but throughout the year Sockey explores the spiritual riches of the seasons the saints and special feast days which add depth and variety to prayer She also addresses the practice of praying the Scriptures especially the psalms and helps the reader to appreciate the universal beauty of these ancient prayers Don't let concerns about what page am I supposed to be on scare you away Sockey will be your guide to answer common questions and overcome common fears Your prayer life will never be the same **Political Formation** Jenny Leith, 2023-01-31 What might it mean us to be formed as disciples not only by the church but also by the world In Political Formation Being Formed by the Spirit in Church and World Jenny Leith argues that ethical and political formation of Christians takes place through the work of the Spirit both in the church and in civic life and the church too has something to learn from wider political practices and movements This account of formation places centre stage a reckoning with the forms of exclusion and marginalisation that mar the church and yields an understanding of the church as not only ethically formative but also in constant need of being formed itself Offering a fresh vision for ecclesiology which grapples with the ethical failings of the church and takes seriously the need for the church to keep on recognising and repenting of its sins the book offers a major new contribution to discussions around Christian formation and the relationship between discipleship and ethics **Practical Guide for the Liturgy of the Hours** Shirley Sullivan, 2008-07-01 Book that offers guidance to help Catholics pray in a rich and meaningful way **Peterson's Guide to Graduate and Professional Programs, an Overview**, 1990
