Ansleigh's Grotto J. T. Cheyanne, 2015-01-28 Dylan Matthews lives in a world of fantasy As a video game designer there are no limits on how far or wide his imagination could stretch He loves his work and excels at bringing the visions in his head to a game console The luck of his Irish heritage seems to touch him when his prototype Zombie ApoXalypse is bought days after he inherits a mansion in the heart of the Appalachian mountains Life is indeed magical Ansleigh has waited centuries for one man only to find him and then lose him due to his own inability to trust in their burgeoning love The magick of Mother Earth flows within him and through him allowing him to nourish the Grotto where he makes his home Yet he yearns for the male that nurtures his soul When the whims of Fate bring his Cosantoir back into his life does he have the courage to accept his heritage As the fantasies in his head become reality and the monsters of nightmares crawl through the forest can Dylan forgive broken promises to protect the Croi There is no pause button when the Fae and human worlds collide Will
