The Banished Princess:

The Banished Princess Kristi Hawes,2017-04-03 In Nah Alba where all magic was once revered now is deeply feared Where magic was once free it was now punishable by death King Albion had turned his father s once peaceful kingdom into one of fear and terror Anyone and everyone accused of doing magic was put to death With the death of his sister and her family his world was now changing He was not responsible for the life of his crippled neice and when the accusations fly of her using magic his love is put to the test Will he put to death his beloved Aryana Or will he spare her life When she first came to live with Albion he thought she was too frail and weak to have magic As secrets are exposed and enemies are brought to light tragedy strikes Nah Alba again
