

CULMINATING PERFORMANCE TASK: ENG1D1

LESSONS IN LITERATURE

LEARNING GOALS: Students will independently read a novel, analyze the literary themes explored in the novel, extend their understanding of the novel to real life lessons and present their findings in a digital presentation.

TASK	TIME PERIOD
Read a Novel: Students will select a novel from the White Pines reading list and read it.	Over the course of the semester. The CPT work period will be approximately 1.5 weeks: December 12 - 21
STEP 1: Guided Reading Response QUESTIONS: Complete and submit a Guided Reading Response as part of your analysis of the novel. (Handout to follow)	Due WED JAN 11
Life Lessons Chart: Complete 3 Life Lessons to draw connections between the novel and personal life experiences, literature and/or the media. Students will support their ideas with quotations from the novel. (Handout to follow)	Due THURSDAY JAN 11
Essay Outline: Prepare a detailed and organized essay outline to demonstrate/explain the life lessons taught in their novel and the personal/literary and/or media connections made. The essay outline will form the basis of your presentation.	Student-Teacher Conferences: JANUARY 10-13 DUE FRIDAY JAN 13
Presentation: Students will present their findings to the class in a 5-7 minute presentation (Rubric to follow) Create a visual component to share during the presentation that will help illustrate your reflections. (See attached handout)	Presentations will take place January 16-18*

Designing Instruction Judith K. March, Karen H. Peters, 2008 A fresh new approach that strengthens the need for teaching with creative thinking strategies for administrative leadership teams Few textbooks have such detailed examples combined with the background study of best practices The authors have great credibility experience resources and abundant research to support their proposal A very well written text offering ample review of the research Sara E Spruce Professor of EducationOlivet Nazarene University Use this research based instructional model to meet students achievement goals As the achievement gap between advantaged and disadvantaged students gets wider teachers and administrators need a proven process to help all students meet the requirements of NCLB This practitioner friendly guidebook provides a step by step approach to a complete standards based

curriculum and the integration of best practices into the delivery and assessment of instruction in every classroom. The authors present three capacity building features of the design process 1 training for building leadership teams to help teachers plan and lead the reform process 2 stewardship training to assist district administrators and principals in supporting and sustaining the implemented reforms and 3 a collaborative observation process to help teachers work together and in partnership with principals to monitor and improve classroom instruction. Offering an education model that has been field tested with more than 50 school districts in the U.S. and Canada this book shows school leaders how to maximize collaborative observation and other team leadership processes to integrate reforms into a school's existing culture. Educators will learn ways to Integrate instructional design with successful instructional reform Strengthen the learning culture through standards Develop effective performance indicators Apply curriculum mapping to instructional design Designing Instruction supports teachers and administrators working together to raise student achievement by using proven instructional design and best practices
