Architecture François Rémillard, Brian Merrett, 1990

Architecture and Town Planning in Colonial North America James D. Kornwolf, Georgiana Wallis Kornwolf, 2002 Incorporating more than 3 000 illustrations Kornwolf's work conveys the full range of the colonial encounter with the continent's geography from the high forms of architecture through formal landscape design and town planning From these pages emerge the fine arts of environmental design an understanding of the political and economic events that helped to determine settlement in North America an appreciation of the various architectural and landscape forms that the settlers created and an awareness of the diversity of the continent's geography and its peoples Considering the humblest buildings along with the mansions of the wealthy and powerful public buildings forts and churches Kornwolf captures the true dynamism and diversity of colonial communities their rivalries and frictions their outlooks and attitudes as they extended their hold on the land

Canadian Reference Sources Mary E. Bond, Martine M. Caron, 1996 This bibliography cites those Canadian and foreign reference sources that describe Canadian people institutions organizations publications art literature languages and history It lists books of a general nature as well as works in the disciplines of history and the humanities These large divisions are then broken down by subject genre type of document and province or territory Titles of national provincial territorial or regional interest are included in every subject area when available The contents of the book are indexed four ways by name title French subject and English subject And to facilitate browsing the major reference books those dealing with more than one subject or a large geographical region are also cross-referenced Two entries have been created for each bilingual document in order to provide access and bibliographical descriptions in both of Canada's official languages Entries for unilingual works include citation in the language of the publication and a bilingual annotation The annotations are descriptive and provide information on the content arrangements and indexing of works the availability of non print formats previous editions and title changes and related works Canadian Reference Sources will be an invaluable reference tool for future scholars and researchers
