The two types of recruitment process are:

A. Internal Recruitment Process- in internal recruitment process unoccupied job Positions are filled up by the already existing workers of the company. No applicants from outside is allowed in the internal source.

Advantages of internal recruitment process are

Methods of Internal Recruitment

1. **Transfer-** transferring means carrying clients from one job position to another at the identical authority. The compensation level along with the authority level remain unchanged with the transfer. Prestige, rank and responsibilities also remained unchanged. 2. **Promotion-** promotion means transfer of employees from the current job position to higher authority level. With the promotion aspects like prestige, rank, employee's responsibility along with the authority level enhances.

B. External Recruitment Process- external recruitment is defined as a process in which Applications for filling the vacant job position are invited from outside the organization. It is preferred when a huge number of job positions are unoccupied.

Advantages

1. Fresh and novel talent contributes in the organization.
2. Wide array of options are available
