Personification About The Rainforest:

Descriptive Writing Tara McCarthy, 1998 Mini lessons strategies and activities help students improve their descriptive writing skills **Return of the Thunderbeings** Iron Thunderhorse, Donn LeVie, 1990 **Fate of the Rain Forest**, 1996

Mastering Writing at Greater Depth Adam Bushnell, Angela Gill, David Waugh, Rob Smith, 2023-02-09 To master the teaching of writing at greater depth teachers first need to know What makes writing greater depth What does it look like How do I support children to develop the skills and creativity to be able to write at greater depth Official guidance lacks the substance and clarity that is needed so where do teachers go for support This book provides teachers with support guidance background theory examples and practical advice for the teaching of writing at greater depth The text highlights the need to take writing beyond transcription into creative composition and not only shows how this is possible but also explores why it matters The second edition is updated with new questions for discussion supporting teacher professional learning and links to the ITT Core Content Framework for trainee teachers Rainforest Shamans Gerardo Reichel-Dolmatoff, 1997 Anthropologist Reichel Dolmatoff spent most of his working life among tribes living in the vast rainforests of the Colombian Northwest Amazon This collection of essays considers the Tukano Indians and their society Many of the essays are concerned with the role of shamanism in Tukanoan society including initiation practices and their curing spells which show the Tukanoan concepts of illness and its cure Other essays describe their concepts of universal energies and the ways they can be balanced and the ecological dimensions of their world view **Metaphor and Argumentation in Climate Crisis**

Discourse Anaïs Augé, 2023-06-28 This volume sheds light on the argumentative role of metaphor in climate change discourse unpacking the ways in which stakeholders use specific metaphors to influence perceptions of the climate crisis While existing research has explored the explanatory function of metaphors in communication on climate change this book offers an alternative view one which posits that metaphors can go beyond disseminating scientific observations to promoting biases in the depiction of these observations Aug analyses oft used ideas in climate change communication such as greenwashing drawn from a wide ranging corpus spanning media discourse scientific discourse NGO communications political speech and social media messages in English The book presents an overview of different arguments conveyed through metaphors around five key themes climate change mitigation the evolution of climate change global and local effects the significance of climate change in specific countries and the relationship between climate change and other contemporary social issues The volume highlights how the complexity of climate change often necessitates the use of metaphor and the value of further research on the argumentative function of metaphor in elucidating its ideological dimensions in climate crisis discourse This book will be of interest to scholars in discourse analysis corpus linguistics cognitive linguistics and environmental communication Guided Practice for Reading Growth, Grades 4-8 Laura Robb, David L. Harrison, 2020-09-02 Use these lessons to build developing readers skill and desire to read read read This book will be your guide as you support

middle grade students who are reading two or more years below grade level The lessons enlarge students vocabulary and background knowledge and engage them in meaningful discussions and writing about their reading As students reading skill and desire to read increases you ll watch them complete more independent reading and ramp up their reading volume the practice they need to improve Guided Practice for Reading Growth provides all you need to get started Laura Robb and poet David L Harrison have collaborated to design twenty four powerful reading lessons using original poems and short texts that interest your students and encourage them to think deeply The opening chapters offer background knowledge for the lessons and teaching tips then the bulk of this book consists of lessons with full texts and suggested videos provided Guided practice lessons are the instructional piece that can move developing readers forward by building their self confidence and the reading expertise needed to read to learn and for pleasure This unique book shows you how to Build students background knowledge by watching and discussing videos Use the poems to improve reading and to improve fluency through practice and performance Invite students to write about their reading and increase comprehension and recall Ask partners to discuss before during and after reading as meaningful talk enlarges students analytical thinking and understanding Design your own lessons for students with extra texts by David L Harrison in the appendix Use this book to develop students self confidence and the reading skill they require to become lifelong joyful readers
