

The Marriage Plot

William Shakespeare

The Marriage Plot:

The Marriage Plot Jeffrey Eugenides, 2011-10-03 The new novel from the bestselling author of *Middlesex* and *The Virgin Suicides*

The Marriage of Minds Rachel Ablow, 2007 The *Marriage of Minds* examines the implications of the common Victorian claim that novel reading can achieve the psychic ethical and affective benefits also commonly associated with sympathy in married life Through close readings of canonical texts in relation to the histories of sympathy marriage and reading *The Marriage of Minds* begins to fill a long standing gap between eighteenth century philosophical notions of sympathy and twentieth century psychoanalytic concepts of identification It examines the wide variety of ways in which novels were understood to educate or reform readers in the mid nineteenth century Finally it demonstrates how both the form of the Victorian novel and the experience supposed to result from that form were implicated in ongoing debates about the nature purpose and law of marriage

The Marriage Plot Naomi Seidman, 2016-06-22 For nineteenth century Eastern European Jews modernization entailed the abandonment of arranged marriage in favor of the love match Romantic novels taught Jewish readers the rules of romance and the choreography of courtship But because these new conceptions of romance were rooted in the Christian and chivalric traditions the Jewish embrace of the love religion was always partial In *The Marriage Plot* Naomi Seidman considers the evolution of Jewish love and marriage through the literature that provided Jews with a sentimental education highlighting a persistent ambivalence in the Jewish adoption of European romantic ideologies Nineteenth century Hebrew and Yiddish literature tempered romantic love with the claims of family and community and treated the rules of gender complementarity as comedic fodder Twentieth century Jewish writers turned back to tradition finding pleasures in matchmaking intergenerational ties and sexual segregation In the modern Jewish voices of Sigmund Freud Erica Jong Philip Roth and Tony Kushner the Jewish heretical challenge to the European romantic sublime has become the central sexual ideology of our time

Reading with a Difference Arthur F. Marotti, 1993 *Reading with a Difference* is a collection of eighteen essays that examines how issues of gender race and cultural identity inform texts from the seventeenth century to the present Together the contributions document recent significant shifts occurring in the theoretical approach to the texts they study and illustrate how shifts in each of these categories affect how the others are viewed The first section of this anthology explores the notion that identity particularly gender identity is a cultural construct The essays in the second section consider ways in which race and gender intersect with cultural identity and how encounters between different cultures challenge any identity constructed in isolation First published in the journal *Criticism* these essays offer no blueprint for reading Instead they encourage a rereading of canonical texts and a questioning of how these texts face matters of gender race and cultural identity how they respond to the differences and the incongruities within the cultures from which they arise and to which they speak

An Ethics of Becoming Sonjeong Cho, 2014-02-04 In attempting to conceptualize feminine subjectivity

beyond the familiar paradigm of dualism and within the parameters of ethics this study examines the political and intellectual identity of contemporary poststructuralist feminism and its profound resonance with the nineteenth century British female Bildungsroman Rooted in fundamental questions about the nexus between feminist theory and feminist literature genre and gender subjectivity and ethics sexuality and textuality and mimesis and politics this book aims specifically to configure feminine subjectivity in the horizon of becoming always incomplete non identarian performative unknowable and thus paradoxically unbecoming as it disseminates in a modality of alterity in novels by Jane Austen Charlotte Bront and George Eliot The close reading of major novels by these women writers illuminates the artistic density and ethical depth of their writing by demonstrating that these women writers rewrite the genealogy of subjectivity and invent their own Bildungsroman as a rich narrative vehicle for the feminine

Dancing Women Sally Banes, 2013-11-05 *Dancing Women* Female Bodies Onstage is a spectacular and timely contribution to dance history recasting canonical dance since the early nineteenth century in terms of a feminist perspective Setting the creation of specific dances in socio political and cultural contexts Sally Banes shows that choreographers have created representations of women that are shaped by and that in part shape society s continuing debates about sexuality and female identity Broad in its scope and compelling in its argument *Dancing Women* provides a series of re readings of the canon from Romantic and Russian Imperial ballet to contemporary ballet and modern dance investigates the gaps between plot and performance that create sexual and gendered meanings examines how women s agency is created in dance through aspects of choreographic structure and style analyzes a range of women s images including brides mistresses mothers sisters witches wraiths enchanted princesses peasants revolutionaries cowgirls scientists and athletes as well as the creation of various women s communities on the dance stage suggests approaches to issues of gender in postmodern dance Using an interpretive strategy different from that of other feminist dance historians who have stressed either victimization or celebration of women Banes finds a much more complex range of cultural representations of gender identities

Narrating Humanity Cynthia Franklin, 2023-06-06 In *Narrating Humanity* Cynthia G Franklin makes a critical intervention into practices of life writing and contemporary crises in the United States about who counts as human To enable this intervention she proposes a powerful new analytical language centered on narrative humanity narrated humanity and grounded narrative humanity and foregrounds concepts of the human that emerge from movement politics While stories of narrative humanity propagate the status quo Franklin argues those of narrated humanity and grounded narrative humanity are ones that articulate ways of being human necessary for not only surviving but also thriving during a time of accelerating crises brought on by the intersecting effects of racial capitalism imperialism heteropatriarchy and climate change Through chapters focused on Hurricane Katrina Black Lives Matter the Palestinian led Boycott Divestment and Sanctions movement and the Native Hawaiian movement to protect Mauna a W kea Franklin reveals how life writing can be mobilized to do more than perpetuate dominant forms of dehumanization that underwrite violence

She contends that life narratives can help materialize ways of being human inspired by these contemporary political movements that are based on queer kinship inter national solidarity abolitionist care and decolonial connectivity among humans more than humans land and waters Engaging writers artists and activists who inspire radical forms of relationality she comes to write side by side with them in her own acts of narrated humanity by refusing the boundaries between autobiography community based activism and literary and cultural criticism

The Marriage Market Jay Warren Margulies,1974 *Redefining I Do* Rebecca A. McLaughlin,2000 **Having a Good Cry** Robyn R. Warhol,2003 Robyn R Warhol s goal is to investigate the effects of readers emotional responses to formulaic fiction of the nineteenth and twentieth centuries on gendered subjectivity She argues that modern literary and cultural studies have ignored nonsexual affectivity in their inquiries The book elaborates on Warhol s theory of affect and then focuses on sentimental stories marriage plots serialized novels and soap operas as distinct genres producing specific feelings among fans Popular narrative forms use formulas to bring up familiar patterns of feelings in the audiences who love them This book looks at the patterns of feelings that some nineteenth and twentieth century popular genres evoke and asks how those patterns are related to gender Soap operas and sentimentalism are generally derided as effeminate forms because their emotional range is seen as hyperfeminine Having a Good Cry presents a celebration of effeminate feelings and works toward promoting more flexible less pejorative concepts of gender Using a psychophysiological rather than a psychoanalytic approach to reading and emotion Warhol seeks to make readers more conscious of what is happening to the gendered body when we read

The Jeffrey Eugenides Three-Book Collection: The Virgin Suicides, Middlesex, The Marriage Plot Jeffrey Eugenides,2014-03-20 This collection brings together three novels from one of America s great modern writers

Reattachment Theory Lee Wallace,2020-05-01 In Reattachment Theory Lee Wallace argues that homosexuality far from being the threat to traditional marriage that same sex marriage opponents have asserted is so integral to its reimagining that all marriage is gay marriage Drawing on the history of marriage Stanley Cavell s analysis of Hollywood comedies of remarriage and readings of recent gay and lesbian films Wallace shows that queer experiments in domesticity have reshaped the affective and erotic horizons of heterosexual marriage and its defining principles fidelity exclusivity and endurance Wallace analyzes a series of films Dorothy Arzner s *Craig s Wife* 1936 Tom Ford s *A Single Man* 2009 Lisa Cholodenko s *High Art* 1998 Laurel Canyon 2002 and *The Kids Are All Right* 2010 and Andrew Haigh s *Weekend* 2011 and *45 Years* 2015 that she contends do not simply reflect social and legal changes they fundamentally alter our sense of what sexual attachment involves as both a social and a romantic form

The Marriage Plot in Jane Austen's *Pride and Prejudice* and Charlotte Bronte's *Jane Eyre* Afnan Alsharif,2017 *A Midsummer-night's Dream* William Shakespeare,1893 **The Mother/daughter Plot** Marianne Hirsch,1989 Includes information on anger Margaret Atwood Emma Jane Austen authority *The Awakening* Kate Chopin *Beloved* Toni Morrison Nancy Chodorow Clytemnestra and Electra death Demeter and Persephone Daniel Deronda George
