### Loofa Love

HEADING

TITLE

INTRO

Showers are both a place and an activity. They are where people wake themselves up to begin the day anew or where they wash the sweat and grime of a rough day off their bodies. Showers are an essential part of basic health and hygiene. With that comes a countless array of tools for proper cleanliness, but none come quite as close as the loofa to pure perfection. Based on cleaning ability, personal comfort, and usability, the loofa is the most effective and efficient body cleaning implement in any shower caddy.

Personal comfort is an admittedly subjective quality for anyone. However, the audience has a general understanding of a comfort range. Where scrubby cloths are harsh and even painful to more sensitive skin, other washing implements feel as though they are only pushing grime around the epidermis. The loofa succeeds in its ability to create a rich lather for a smooth, satisfying feeling while still maintaining an effective cleaning ability, ensuring that a bather feels good both during and after usage.

While humble in its roots, the loofa is an ideal cleaning tool that epitomizes cleaning ability, comfort, and ease of use into one amazing package. As bathing has only grown in importance in relation to hygiene and health, technology has maintained steady in the tools involved with the process. While the loofa may see some evolution in form at some point in the future, the tool's current iteration suggests a superior form that requires no true improvement.

CONCLUSION

BODY

## Who I Was Essay:

**The Cambridge Companion to The Essay** Kara Wittman, Evan Kindley, 2022-11-03 The Cambridge Companion to the Essay considers the history theory and aesthetics of the essay from the moment it's named in the late sixteenth century to the present. What is an essay? What can the essay do or think or reveal or know that other literary forms cannot? What makes a piece of writing essayistic? How can essays bring about change? Over the course of seventeen chapters by a diverse group of scholars, The Companion reads the essay in relation to poetry, fiction, natural science, philosophy, critical theory, postcolonial and decolonial thinking, studies in race and gender, queer theory, and the history of literary criticism. This book studies the essay in its written, photographic, cinematic, and digital forms with a special emphasis on how the essay is being reshaped and reimagined in the twenty-first century, making it a crucial resource for scholars, students, and essayists.
