St. Teresa of Avila The Way of Perfection: Study Edition St. Teresa of Avila, 2013-09-19 A Study Edition with Introduction Commentary Discussion Questions Glossary and a fully linked Index. St Teresa of Avila is an unsurpassed teacher of Christian prayer and spirituality and in *The Way of Perfection* she is at her best. Now with the help of this study edition everyone can enjoy the benefits of her wisdom. In *The Way of Perfection* St Teresa gives practical counsels and advice on prayer destined originally for the few nuns who embraced the reformed Carmelite life she established. As a handbook for spiritual formation it presented them with the basic Christian spirituality undergirding their Constitutions and Rule. Over the centuries the book's appeal has reached far beyond the walls of Carmelite monasteries and *The Way of Perfection* has become a spiritual classic. More and more today Teresa's instructions speak to all those interested in prayer providing them with basic guidelines for praying and showing how to avoid potential pitfalls. But as the readership and interest grow so does the need for some help in working with this sixteenth century text. The principles and teachings in Teresa's book first presented within the limited horizons of her own situation clearly lend themselves to broader applications and can work well in all walks of life. This study edition with its introduction commentary notes discussion questions glossary and a fully linked Index provides what is needed to assist contemporary readers in making these applications and delving more deeply into the text's spiritual riches
