Ingenious Yankees:

The Ingenious Yankees Joseph Gies, Frances Gies, 1976 **The Ingenious Yankees** Joseph Gies, 1979 **A New Nation of Goods** David Jaffee, 2010 A New Nation of Goods highlights the significant role of provincial artisans in four crafts in the northeastern United States chairmaking clockmaking portrait painting and book publishing to explain the shift from preindustrial society to an entirely new configuration of work commodities and culture Ingenious Yankees Donald Hoke, 1986 **Judy, Or the London Serio-comic Journal**, 1872 Florentine Ariosto Jones: A Yankee in Switzerland and the Early Globalization of the American System of Watchmaking Frank Jacob, 2021-09-07 This book recounts the story of Florentine Ariosto Jones who after the Civil War decided to manufacture watches Combining the cheap labor available at the time in Switzerland with US manufacturing technologies Jones embarked on his venture to produce affordable watches for the American market Consequently he became a pioneer in the business of outsourcing labor for economic purposes through his contracting of labor to Europe While the company still exists today very little is known about Jones The present book will undoubtedly change this by telling the fascinating story of an American adventurer and his pursuit to globalize American watchmaking at the end of the 19th Century *The Roots of American Industrialization* David R. Meyer, 2003-05-21 Farms that were on poor soil and distant from markets declined whereas other farms successfully adjusted production as rural and urban markets expanded and as Midwestern agricultural products flowed eastward after 1840 Rural and urban demand for manufactures in the East supported diverse industrial development and prosperous rural areas and burgeoning cities supplied increasing amounts of capital for investment **Ingenious Yankees** Donald R. Hoke, 1990-03-02 Yankee Theatre Francis Hodge, 1964-01-01 The famous Stage Yankees with their eccentric New England dialect comedy entertained audiences from Boston to New Orleans from New York to London in the years between 1825 and 1850 They provided the creative energy for the development of an American type character in early plays of native authorship This book examines the full range of their theatre activity not only as actors but also as playmakers and re evaluates their contribution to the growth of the American stage Yankee theatre was not an oddity a passing fad or an accident of entertainment it was an honest exploitation of the materials of American life for an audience in search of its own identification The delineation of the American character a full length realistic portrait in the context of stage comedy was its projected goal and though not the only method for such delineation the theatre form was the most popular and extensive way of disseminating the American image The Yankee actors openly borrowed from what literary sources were available to them but because of their special position as actors who were required to give flesh and blood imitations of people for the believable acceptance of others viewing the same people about them they were forced to draw extensively on their actors imaginations and to present the American as they saw him If the image was too often an external one it still revealed the Yankee as a hardy individual whose independence was a primary assumption as a bargainer whose techniques were more clever than England's sharpest penny

pincher as a country person more intelligent sharper and keener in dealings than the city bred type as an American freewheeler who always landed on top not out of naive honesty but out of a simple perception of other human beings and their gullibility Much new evidence in this study is based on London productions where the view of English audiences and critics was sharply focused on what Americans thought about themselves and the new culture of democracy emerging around them The shift from America the borrower to America the original doer can be clearly seen in this stager activity Yankee theatre then is an epitome of the emerging American after the Second War for Independence Emerging nationalism meant emerging national definition Yankee theatre thus led to the first cohesive body of American plays the first American actors seen in London and to a new realistic interpretation of the American in the character plays of the 1870s and 1880s Flame Wars Mark Dery,1994 Essays on electronic communication cyberpunk culture and rants and flames in cyberspace consider subjects such as the magazine Mondo 2000 the typewriter virtual reality feminism comics and erotica for cybernauts Includes blurry b w photos and illustrations and an interviews with science fictions writers Samuel R Delaney Greg Tate and Tricia Rose Paper edition unseen 13 95 Annotation copyright by Book News Inc Portland OR The American Monthly Magazine,1894 **The United Service** ,1890 **Mildred Marville** George Fox Tucker,1898 **Yankee** ,1977 American Manual of Phonography Elias Longley,1894 **Eclectic Manual of Phonography** Elias Longley,1889 **The Soldier's Story of His Captivity at Andersonville, Belle Isle, and Other Rebel Prisons** Warren Lee Goss,1871 *The Yankee Peddlers of Early America* J. R. Dolan,1964 *A History of Industrial Paterson* Levi R. Trumbell,1882 *A Fair Plebeian* May E. Stone,1883
