Beat Depression Fast Alexandra Massey,2013-12-31 In her latest book depression counselor Alexandra Massey distils years of hard won strategies for treating depression She provides an easy to follow ten step program that will help you beat it quickly and without pharmaceuticals Massey who has suffered from depression most of her life refused to take prescription drugs when her symptoms became debilitating I was very clear about the root cause of the depression she says It was very very low self esteem The overriding symptom was deep hopelessness and I had a sense that connecting with others who knew how I felt was what I needed not drugs According to Massey the first step toward recovery from depression is acceptance Depression is like wet sand The more you push the harder it gets By accepting depression you will find a sense of relief The second step is trust When we are dealing with the despair and hopelessness of depression it s almost impossible to believe that everything is going to turn out OK she writes Massey attributes her own recovery in part to her years long participation in 12 step programs From the recovery movement she learned the power of letting a greater power into your life Says Massey For me real change didn t happen until I acknowledged that I couldn t beat depression on my own and that I needed to rely on something bigger and wiser than myself These are the foundations stones The remaining steps will lead you on a journey to a new depression free life By following the steps you will find greater peace of mind more resilience and inevitably the reemergence of your dreams Depression Can Be Fun Helen McNallen, **Is Your Mind**
