**Michael Burawoy**

**2016 Intake At Vaal Application Forms:**

*Public Sociology* Michael Burawoy, 2021-09-08 Michael Burawoy has helped to reshape the theory and practice of sociology across the Western world. *Public Sociology* is his most thoroughgoing attempt to explore what a truly committed engaged sociology should look like in the twenty-first century. Burawoy looks back on the defining moments of his intellectual journey, exploring his pivotal early experiences as a researcher, such as his fieldwork in a Zambian copper mine and a Chicago factory. He recounts his time as a graduate and professor during the ideological ferment in sociology departments of the 1970s and explores how his experiences intersected with a changing political and intellectual world up to the present. Recalling Max Weber, Burawoy argues that sociology is much more than just a discipline; it is a vocation to be practiced everywhere and by everyone.
