## 2016 Police Intake:

Terrorism and Counter-terrorism in China Michael Clarke,2018 China hitherto barely affected by terrorism now confronts a phenomenon all too familiar to other nations    Gender Inclusive Policing Tim Prenzler,2023-06-23 Gender Inclusive Policing Challenges and Achievements is an edited collection focused on current challenges innovations and positive achievements in gender integration in policing in different subject domains and locations Comprised of essays by expert contributors from across the globe the book covers a variety of topics including jurisdictional achievements South Africa British Isles Scandinavian countries Australia women in leadership achievements and methods merit and affirmative action issues performance comparisons conduct ethics peacebuilding intersectionality Indigenous women and women s police stations Argentina The book explores and grapples with issues of recruitment deployment and promotion obstacles to equity effective integration strategies management conduct and policing styles race and ethnicity and specialisation It is an essential resource providing practical exemplars for police managers involved in gender equity programmes and for professionals involved in advanced level research teaching and consulting    *Corruption, Sustainable Development and Security Challenges in Africa* Kempe Ronald Hope, Sr.,2023-09-07 This book sheds light on Africa s development performance and dynamics arising from the interface between corruption and sustainable development on the one hand and the challenges that poses for peace security and stability Corruption also contributes to the spread of terrorism and violent extremism Pervasive corruption networks often include politicians civil servants working at all levels of state institutions representatives of the private sector and members of crime syndicates The consequences of corruption are detrimental in many aspects such as undermining governments ability to serve public interests and eroding public trust in democratic processes Presenting empirical evidence the book explains why corruption and the looting of staggering amounts of national assets undermine the achievement of the Sustainable Development Goals SDGs and has a negative impact on peace stability security the rule of law gender equality the environment and human rights This makes the book a must read for students researchers and scholars of political science international relations and economics in general as well as African studies development studies and security sector studies in particular covering issues and themes on corruption governance socio economic sustainable development public administration and management policing in an international context police reform and security sector reform It will also serve as a helpful resource for policy makers interested in a better understanding of the connection between corruption sustainable development and security challenges in Sub Saharan Africa    **Challenges of Contemporary Policing** Vicente Riccio,Di Jia,Dilip K. Das,2024-10-02 This edited collection reflects contemporary challenges faced by police forces across the globe and the role of technology in addressing them The use of science and technology raises questions about ethics training the well being of people and freedom New technologies promise to foster police practices based on intelligence accuracy and preparedness and are considered necessary to overcome challenges such

as declining budgets lack of personnel and legitimacy However technologies can also be used for authoritarian and nefarious purposes For those reasons this book aims to discuss related topics from various contexts to establish connections among common problems in the field of policing across the globe This book provides an internationally relevant assessment of the use of technology in the field of policing as well as the impact on training and police well being It is ideal for an academic audience at both graduate and undergraduate levels in the fields of criminal justice studies police studies legal sociology and public policy and will be of interest to police practitioners legal professionals social service workers and public sector managers

**Research Handbook on Gender, Work and Employment Relations** Sue Williamson,Jane Parker,Noelle Donnelly,Mihajla Gavin,Sue Ressia,2025-04-09 Presenting cutting edge research on gender work and employment relations this Research Handbook represents the latest thinking in this dynamic field A multinational team of academics share their expertise from a broad range of disciplines including employment relations human resource management sociology management and feminist and organisational studies

Justice and Legitimacy in Policing Miltonette Olivia Craig,Kwan-Lamar Blount-Hill,2022-11-01 Justice and Legitimacy in Policing critically analyzes the state of American policing and evaluates proposed solutions to reform transform the institution such as implementing body worn cameras increasing diversity in police agencies the problem of crimmigration limiting qualified immunity and the abolitionist movement

Considering the changes that have occurred in our sociopolitical climate policymakers scholars and the public are in need of a book that focuses on the American policing institution in a comprehensive yet critical manner Each chapter is devoted to a specific area of policing that has either received criticism for the problems it may create or has been proposed to effect reform The chapters are sequenced such that readers are introduced to a spectrum of topics to expand the discourse on changes needed to achieve equitable policing The book also encourages readers to consider the idea that achieving justice and legitimacy in policing cannot happen as the institution is now formulated and it invites readers to use the topics discussed in each chapter to envision transformative propositions Justice and Legitimacy in Policing is intended to engage policymakers and practitioners as well as interested members of the public The scope of this book also makes it a valuable resource for academics and students
