**Reading Comprehension Gr. 5-8** Brenda Rollins,2009-09-01 A child's ability to read and comprehend the written word is his touchstone to success in school and in life. Designed to teach the reading skills that are basic to reading fluency, our resource emphasizes the primary building blocks of reading acquisition. Start off by identifying the main idea of a passage. Find out how details will point to the most important part of a story. Then use graphic organizers to help identify context clues. Find out what questions to ask before drawing conclusions. Gather all the facts and prior knowledge to help. Learn all about making inferences and how clues from the text and your own knowledge and experiences will tell you what the author is trying to say. Discover the differences between facts and opinions. Learning to read between the lines will help with comprehension. Finally, discover transition words as you learn about sequencing. Aligned to your State Standards and written to Bloom's Taxonomy, reproducible writing tasks, crossword, word search, comprehension quiz, and answer key are also included.

**Motion Gr. 5-8** George Graybill,2007-09-01 Take the mystery out of motion. Our resource gives you everything you need to teach young scientists about motion. Start off by learning about speed and distance. Recognize if things are standing still or in motion. Graph the velocity of students walking home from school at different speeds. Identify when a skydiver is accelerating during their jump. Follow directions to find your way using a treasure map. Find out about frequency and pitch in vibrating motion. Conduct an experiment with a bicycle wheel and office chair to learn about circular motion. Finally, identify the wavelength and amplitude on a wave. Aligned to the Next Generation State Standards and written to Bloom's Taxonomy and STEAM initiatives, additional hands-on experiments, crossword, word search, comprehension quiz, and answer key are also included.

**Master Reading Big Book Gr. 5-8** Brenda Rollins,2010-01-01 Become a master reader and advance your understanding of the written word with our Reading Skills 3 book BUNDLE. Students begin by gaining an understanding of the written text with Reading Comprehension. Learn the basics of reading fluency with main idea, context clues, and drawing conclusions. Students will then engage in the tools to understanding elementary level literature with Literary Devices. Examine the fundamental devices that make up any story, including setting, plot, and theme. Finally, students will gain the ability to not only understand what they have read but how to build upon that knowledge independently with Critical Thinking. Students explore the tools that lead to excellent critical thinking skills, such as independent thinking, making inferences, and problem solving. Each concept is paired with hands-on graphic organizers and comprehension activities. Aligned to your State Standards and written to Bloom's Taxonomy, reproducible writing tasks, crossword, word search, comprehension quiz, and answer key are also included.

**Culture, Society & Globalization Gr. 5-8** Erika Gasper-Gombatz,2010-01-01 Help students make informed decisions about civil matters and lifestyle choices that affect themselves and the world. Our resource provides students with the building blocks to understand the debates and issues surrounding globalization. Go back in time to experience the influence of the Ottoman Empire on the greater world. Debate

the pros and cons of globalization in today's world Conduct a survey at your school to find out whether mother languages are being passed down to current generations Explore the negative impacts of the spread of Western culture to the rest of the world Plan international vacations for people that minimize the negative impacts of tourist activity on indigenous and local populations Find out how globalization can cause the spread of infectious diseases to occur more quickly Watch the world come together to deal with the global issue of Climate Change Represent a nation during a United Nations meeting to draft additions to human rights law Aligned to your State Standards and written to Bloom's Taxonomy additional hands on activities crossword word search comprehension quiz and answer key are also included
