## **Answers To The Total Transformation Program:**

Life's Journey To A Total Transformation Julie Dieball,2018-03-21 Life s Journey to a Total Transformation A Christian outlook on overcoming challenges in all areas of your life We all go through life s journey with many challenges Who you are is how you handle these challenges I learned being a drama queen didn t get me very far There are so many people trying to balance all areas of their lives In health nutrition spirituality financially relationships etc feeling like your life s a circus juggling everything to keep life balanced Finding time for yourself to think and relax is so important The question is how can we do that when things are fast paced in this day and age We all have busy schedules and can t seem to keep up When we are trying to lose weight and need more energy there are so many diets out there but what most people don t realize is that what may work for one person will not work for another So how do you know which one If you are tired of going on a roller coaster diet and losing weight and gaining it back sometimes more than you started if you are tired of being tired and need more energy if life in general is a challenge then look no further As a certified health coach I am able to help others overcome challenges in ways they never thought they could before and keep a schedule without feeling like you re a chicken running around with your head cut off I will walk you through each step to customize and personalize your own way of making healthy habit changes that will help balance all areas of your life You will be able to see yourself changing your habits your schedule and feel less stressed knowing how to look deep inside to understand what s slowing you down or stopping you from achieving your goals My prayer is that God will bless you through this transformation to become healthier happier and a better version of yourself
