What instructors and students around the world are saying about the clarity and ease of understanding that is found in *A Course in Miracles for Dummies*. This book provides an insightful student of the Course assistance in understanding the Text's passages. ACIM for Dummies is invaluable to clarify what various words refer to. For me, the notes are more than worth the price of this book and could easily serve to support individual study or be the focus for a group discussion. I facilitated a group for 18 years in Colorado and am enthused about starting another group using ACIM for Dummies. B Kent I bought *A Course in Miracles for Dummies* and I cannot believe how wonderful it is and easy to understand ACIM. Sorry for my spelling in English as I am Spanish. F Perez Chies I have been studying *A Course in Miracles* for a number of years without much success in truly understanding what I was reading. Then I came across ACIM for Dummies and began to understand the meaning behind the words. It has helped me to accept myself and everyone I meet with love and respect and most importantly I have learned to honor their journey. It has been a wonderful way to understand and interpret for myself the beautiful words of Jesus N Harwood. I've had over 20 years experience working with ACIM. Tom's insightful writing of ACIM for Dummies has certainly shed some valuable new light on some of the more difficult passages. Tom is skilled at articulating the beautiful messages being transmitted throughout ACIM. Definitely a piece of work to have at.

**Practicing a Course in Miracles** Elizabeth A. Cronkhite, 2011-09-30. In the mid 1970s *A Course in Miracles* was published. It is a self-study course designed to help you undo your conscious and unconscious beliefs that you are separate from God so that you can return to your natural State of Boundless Love, Peace, and Joy. Since then it has become the Holy Book of millions of people worldwide who have experienced a loving transformation to a more peaceful experience. *Practicing A Course in Miracles* and *The Way of A Course in Miracles* are practical companions to *The Message of A Course in Miracles*, the first volume of the Plain Language *A Course in Miracles*. Where MACIM lays out the theoretical foundation of the Course, PACIM provides a year of practical lessons to transform your experience to peace, and WACIM provides answers to common questions. These volumes also contain mentoring notes from the translator, a student and teacher of the Course since 1984. Together these books offer a clear means for attaining lasting inner peace.
