**High-Expectation Curricula** Curt Dudley-Marling, Sarah Michaels, 2015-04-25 Despite growing evidence that all students will benefit from engaging and challenging instruction many struggling students continue to experience a circumscribed curriculum that emphasizes low level skills Featuring contributions from emerging and well known researchers this important volume is about the enactment of high expectation curricula in everyday practice Chapters document specific classroom strategies that make a difference in the learning of students from low socioeconomic backgrounds and cultural and linguistic minority communities While the book focuses on language and literacy instruction key chapters on math and science also demonstrate high expectation teaching across the curriculum Book Features A broad framework for creating high expectation curricula in underperforming K12 schools clear illustrations of what alternative literacy practices look like powerful examples of rich math and science instruction research based strategies for second language learners students with disabilities and struggling readers an incisive critique of the deficit driven curricula that dominates in underachieving schools and classrooms *Common Core Language Arts 4 Today, Grade 3*, 2013-05-01 Build a foundation and focus on what matters most for language arts and reading readiness with Language Arts 4 Today The Common Core Edition for third grade This 96 page comprehensive supplement contains standards aligned reproducible activities designed to focus on critical language arts skills and concepts that meet the Common Core State Standards Each page includes 16 questions to be completed during a four day period The exercises are arranged in a continuous spiral so that concepts are repeated weekly An assessment for the fifth day is provided for evaluating students understanding of the language arts concepts practiced throughout the week Also included are a Common Core State Standards alignment matrix and an answer key *Grade Teacher*, 1960 *Michigan School Moderator*, 1891 *101 Ideas for Daily Transitions* Carson-Dellosa Publishing Staff, School Specialty Publishing, Carson-Dellosa Publishing, 2004-05-17 Do you find that your school days occasionally have moments of down time when you could use quick and easy ideas to get your students thinking Is it difficult for your students to transition from one subject to another without having an activity that clears their minds and refreshes them If so then 101 Ideas for Daily Transitions is a book filled with ideas you can implement in your classroom today 101 Ideas for Daily Transitions features over 101 cross curricular ideas that are fun educational and require little or no preparation on your part The activities include pantomiming solving math teasers building pictures as a class analyzing idioms finishing quotes creating new uses for objects and so much more You will find reproducible patterns at the back of the book that correspond to many of the activities Watch as your students delight at these activities and enjoy the much needed break from the rigorous demands of the school day **Reading the Rainbow** Caitlin L. Ryan, Jill M. Hermann-Wilmarth, 2018 Drawing on examples of teaching from elementary school classrooms this timely book for practitioners explains why LGBTQ inclusive literacy instruction is possible relevant and necessary in grades K 5 The authors

show how expanding the English language arts curriculum to include representations of LGBTQ people and themes will benefit all students allowing them to participate in a truly inclusive classroom The text describes three different approaches that address the limitations pressures and possibilities that teachers in various contexts face around these topics The authors make clear what LGBTQ inclusive literacy teaching can look like in practice including what teachers might say and how students might respond Reading the Rainbow is a terrific nuanced practical resource that many ELA teachers should come to value Children in their classrooms whatever their identities will be the better for it Mombian Reading the Rainbow invites us to enact justice in our classrooms as we honor our students rights and work to foster equity From the Foreword by Mariana Souto Manning Teachers College Columbia University The field has been hungry for this book It will allow elementary teachers to make immediate and impactful change in their classrooms Elizabeth Dutro University of Colorado Boulder This is a warm and vigorous invitation for teachers to create more equitable classrooms where the full humanity of students is honored Mollie V Blackburn Ohio State University
