Eureka Math is based on the theory that mathematical knowledge is conveyed most clearly and effectively when it is taught
in a sequence that follows the story of mathematics itself In A Story of Units our elementary curriculum this sequencing has
been joined with methods of instruction that have been proven to work in this nation and abroad These methods drive
student understanding beyond process to deep mastery of mathematical concepts The goal of Eureka Math is to produce
students who are not merely literate but fluent in mathematics This teacher edition is a companion to Eureka Math online
