Disruptive Technologies and Eco-Innovation for Sustainable Development Akkucuk, Ulas, 2021-09-10 The rise of technology in human culture has changed almost every facet of society. Technology is especially useful regarding sustainable development. These technologies can cause significant greenhouse gas reductions and other benefits in terms of logistics and smart cities. New technology applied in this way can greatly help the human effort to restore the environment. Disruptive Technologies and Eco Innovation for Sustainable Development provides an in depth look into the new techniques, strategies and technologies for achieving environmental sustainability through best business and technology practices. The book covers topics such as eco innovation, green criteria, Agriculture 4.0 and topics related to logic, philosophy and history of science and technology from the green sustainable point of view. It is essential for managers, academicians, scientists, students and researchers in various government, public and private sectors.

The Handbook of Gender, Communication, and Women's Human Rights Margaret Gallagher, Aimee Vega Montiel, 2023-10-09 A timely feminist intervention on gender communication and women's human rights. The Handbook on Gender Communication and Women's Human Rights engages contemporary debates on women's rights, democracy and neoliberalism through the lens of feminist communication scholarship. The first major collection of its kind published in the COVID 19 era, this unique volume frames a wide range of issues relevant to the gender and communication agenda within a human rights framework. An international panel of feminist academics and activists examines how media, information and communication systems contribute to enabling, ignoring, questioning or denying women's human and communication rights. Divided into four parts, the Handbook covers governance and policy systems and institutions, advocacy and activism, and content rights and freedoms. Throughout the text, the contributors demonstrate the need for strong feminist critiques of exclusionary power structures, highlight new opportunities and challenges in promoting change, illustrate both the risks and rewards associated with digital communication and much more. Offers a state of the art exploration of the intersection between gender communication and women's rights. Addresses both core and emerging topics in feminist media scholarship and research. Discusses the vital role of communication systems and processes in women's struggles to claim and exercise their rights. Analyzes how the COVID 19 pandemic has exacerbated structures of inequality and intensified the spread of disinformation. Explores feminist based concepts and approaches that could enrich communication policy at all levels. Part of the Global Handbooks in Media and Communication Research series. The Handbook of Gender Communication and Women's Human Rights is essential reading for advanced undergraduate and graduate students in media studies, communication studies, cultural studies, journalism, feminist studies, gender studies, global studies and human rights programs at institutions around the world. It is also an invaluable resource for academics, researchers, policymakers and civil society and human rights activists.

A Military History of the Cold War, 1962-1991 Jonathan M. House, 2020-09-24 Study of the Cold War all too often shows us the war that wasn't fought. The reality of course

is that many hot conflicts did occur some with the great powers weapons and approval others without It is this reality and this period of quasi war and semiconflict that Jonathan M House plumbs in A Military History of the Cold War 1962 1991 a complex case study in the Clausewitzian relationship between policy and military force during a time of global upheaval and political realignment This volume opens a new perspective on three fraught decades of Cold War history revealing how the realities of time distance resources and military culture often constrained and diverted the inclinations or policies of world leaders In addition to the Vietnam War and nuclear confrontations between the USSR and the United States this period saw dozens of regional wars and insurgencies fought throughout Asia Africa and Latin America Cuba Pakistan Indonesia Israel Egypt and South Africa pursued their own goals in ways that drew the superpowers into regional disputes Even clashes ostensibly unrelated to the politics of East West confrontation such as the Nigerian Biafran conflict the Falklands Malvinas War and the Indonesian occupation of East Timor involved armed forces weapons and tactics developed for the larger conflict and thus come under House s scrutiny His study also takes up nontraditional or specialized aspects of the period including weapons of mass destruction civil military relations civil defense and control of domestic disorders The result is a single integrated survey and analysis of a complex period in geopolitical history which fills a significant gap in our knowledge of the organization logistics operations and tactics involved in conflict throughout the Cold War [Yearbook of International Organizations, 2013-2014 \(Volume 2\)](#) Union Of International Associations,Union of International Associations,2013-06-21 The Yearbook of International Organizations provides the most extensive coverage of non profit international organizations currently available Detailed profiles of international non governmental and intergovernmental organizations IGO collected and documented by the Union of International Associations can be found here In addition to the history aims and acitvities of international organizations with their events publications and contact details the volumes of the Yearbook include networks between associations biographies of key people involved and extensive statistical data Volume 2 allows users to locate organizations by the country in which secretariats or members are located
