Adult Learning Principles 3 combines self-study with realistic workplace activities to build advanced knowledge of adult learning principles. Building on Adult Learning Principles 1 and 2, it explores three sophisticated principles of adult learning: Multiple Intelligences, Whole Brain Learning and Metacognitive Reflection. Adult Learning Principles 3 is designed for educators, trainers and facilitators who work in instructor-led training, e-learning, distance learning, self-study and other types of learning interventions. With increasing pressure on training departments to reduce training session duration and convert instructor-led training to e-learning, trainers must adopt new ways of delivering learning. This Learning Short Take R will provide a plethora of new ideas and refuel the way you design learning. Adult Learning Principles 3 includes the Multiple Intelligence Quick Reference Card, provided as a free downloadable tool.
