, **Totamente orientale, totalmente occidentale** Emanuela Ferreri, 2013 *The City of the Sun* Tommaso Campanella, 2023-04-28 Among Renaissance utopias *The City of the Sun* is perhaps second in importance only to More's more famous work. There are striking similarities between Campanella's utopia and More's but also striking differences which reflect both changed historical circumstances and the highly original nature of Campanella's thought. *La città del sole* is one of many books written by Tommaso Campanella, philosopher, scientist, astrologer, and poet while imprisoned in Naples for his part in rebellion against the Spanish and ecclesiastical authorities who ruled his native Calabria. This first faithful and complete English translation by Daniel J. Donno is presented opposite the critically established Italian text with essential explanatory notes and an introductory essay. Students of Italian culture, of the history of science, and of political, philosophical, and religious thought will welcome the publication of this authoritative edition of Campanella's best-known work. This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1981. Among Renaissance utopias *The City of the Sun* is perhaps second in importance only to More's more famous work. Partendo da Aristotele, Enrico Berti offre una appassionante introduzione al pensiero antico e ai suoi grandi problemi che sono in fondo gli eterni problemi della filosofia: che cos'è l'essere? Chi sono gli dei? Chi è l'uomo? Come possiamo raggiungere la felicità? Che cosa ci attende dopo la morte?
