## What is the format of the ACS Standardized Exam?

The test consists of 70 multiple-choice questions. You will have exactly two hours to complete the exam. Since this is a standardized exam, the conditions of the exam are quite specific. For example:

- The serial number of your test booklet will be recorded.
  - All answers must be marked with a No. 2 pencil and the marks should be very dark. Any erasures must be complete - leaving no smudges.
  - You will be provided with scratch paper, but no other reference materials are allowed. You must turn in all scratch paper at the end of the exam along with your test booklet and answer sheet.
  - The exam proctor may not provide any additional information or clarifying statements beyond what is stated in the test booklet.
