A close-up, slightly blurred photograph of the interior of an Audi S5. The focus is on the black leather steering wheel, which features the four interlocking rings of the Audi logo in the center. The steering wheel has multiple control buttons on both sides. In the background, the instrument cluster is visible, showing several analog gauges with red needles and a digital display in the center. The overall lighting is somewhat dim, with a blueish tint, possibly from the car's ambient lighting or the camera's white balance.
