Díaz-Rico, 2008 *A Course for Teaching English Learners* CTEL Handbook offers strategies to equip teachers to work with English language learners balancing fundamental principles with practical classroom techniques. This book offers in a single volume a wealth of background principles underlying the cultural, linguistic, and sociocultural contexts and foundations of learning and by providing a comprehensive framework that doesn't only focus on reading and writing. Provisions in the federal No Child Left Behind Act NCLB call for yearly accountability in English language growth for language minority students. The CTEL Handbook addresses the new focus on testing procedures as well as adaptation for English learners during the test taking process. Throughout Lynne Diaz Rico provides the necessary background knowledge needed to educate English learners and also includes a variety of classroom methods for English language development in listening, speaking, reading, writing, and computer assisted instruction.
