The exam is extremely challenging and thorough test preparation is essential for success. Our study guide includes 2 practice tests available in online interactive format. All 2 of these printed in the guide. Tips and strategies to help you get your best test performance. A complete review of all organic chemistry test sections. ACS is a registered trademark of the American Chemical Society which is not affiliated with Mometrix Test Preparation and does not endorse this product. The Mometrix guide is filled with the critical information you will need in order to do well on your organic chemistry exam: the concepts, procedures, principles, and vocabulary that the American Chemical Society ACS Examinations Institute expects you to have mastered before sitting for your exam. Sections include: Structure, Acids and Bases, Nucleophilic Substitution Reactions, Elimination Reactions, Addition and Other Reactions, Spectroscopy, Radical Reactions, Conjugated Systems and Aromaticity, Aromatic Reactions, Carbonyl Chemistry, Enol and Enolate Chemistry, Applications, and much more. Our guide is full of specific and detailed information that will be key to passing your exam. Concepts and principles aren't simply named or described in passing but are explained in detail. The Mometrix organic chemistry study guide is laid out in a logical and organized fashion so that one section naturally flows from the one preceding it. Because it's written with an eye for both technical accuracy and accessibility, you will not have to worry about getting lost in dense academic language. Any test prep guide is only as good as its practice questions and answer explanations, and that's another area where our guide stands out. The Mometrix test prep team has provided plenty of organic chemistry practice test questions to prepare you for what to expect on the actual exam. Each answer is explained in depth in order to make the principles and reasoning behind it crystal clear. All 2 practice tests are available to take in online interactive format, allowing you to immediately score your test and see what you got wrong. We've also printed all 2 practice tests in your guide for offline reference. We've helped hundreds of thousands of people pass standardized tests and achieve their education and career goals. We've done this by setting high standards for Mometrix Test Preparation guides, and our ACS Organic Chemistry Study Guide ACS Secrets Exam Prep Book is no exception. It's an excellent investment in your future. Get the organic chemistry review you need to be successful on your exam.
