Once you have prepared for your Act 1 quiz, complete the following questions. Be as detailed as possible in your responses.

## Plot Summary:

The Reverend Danforth and his wife are staying in the forest at night. Most two of them (Betty Parris and Ruth Putnam) have fallen into a trancelike illness. When questioned, Abigail Williams denies practicing witchcraft, but after talking with the other girls, her story changes. She admits to "conjuring," but blames Tituba, Parris' slave, who is now deceased. In reality, Abigail had an affair with John Proctor and wants him to die. This conflicting idea emerges in the community, represented by the Putnams, who hope to prove witchcraft, and by Proctor and Reverend John Hale, who are skeptical about accusations of witchcraft.
