Corporate collapses over the last five years and subsequent criticisms of the audit role have necessitated a review of the existing auditing standards to ensure audit quality, return stakeholder confidence in the reputation of the audit process and reinstate to the profession the core audit qualities of reliability, transparency, trust and integrity. Modern Auditing and Assurance Services 3rd edition reflects the latest developments in the profession detailing the audit procedures under the 35 legally enforceable ASAs. Further this edition has been thoroughly revised to present a current coverage of the auditing environment, the increased focus on professional ethics and ethical competence, governance and professional independence, changes in legal liability for the audit profession, local and international regulatory developments whilst continuing to provide a thorough analysis of contemporary audit practice as well as significant consideration of assurance services beyond the traditional audit. NEW TO THIS EDITION: Inclusion and explanation of the requirements under the new legally enforceable Australian Auditing Standards ASAs.
