

“

To search for power within myself means I must be willing to move through being afraid to whatever lies beyond. If I look at my most vulnerable places and acknowledge the pain I have felt, I can remove the source of that pain from my enemies' arsenals. My history cannot be used to feather my enemies' arrows then, and that lessens their power over me. **Nothing I accept about myself can be used against me to diminish me.** I am who I am, doing what I came to do, acting upon you like a drug or a chisel to remind you of your ness, as I discover you in myself.
